

Lake County Illinois

Department Details

Department name: Lake County Stormwater Management Commission

Type: Lake County Stormwater Management Commission

Meeting time: 6:00 PM

Meeting location: 500 W. Winchester Rd - Libertyville, Illinois

Primary contact:

Description: **Title:** Stormwater Management Commission

Purpose/Function: The principal duties of this Commission shall be those duties prescribed by Illinois statute and other duties as may, from time to time, be provided by the ordinances adopted pursuant to such statutes, and shall include, but not be limited to, the following: A. Develop a storm water management plan for the management of storm water runoff, including the management of natural and man-made drainage ways, for presentation to and approval by the County Board, and to direct the plan's implementation and revision; such countywide plan may incorporate watershed plans. B. Coordinate the planning process with each adjoining county to ensure that recommended storm water projects will have no significant impact on the levels of flows of storm water in inter-county watersheds or on the capacity of existing and planned storm water retention facilities. C. Any proposed amendments to the adopted storm water management plan shall be submitted to IDNR/OWR and NIPC for review. D. Develop and Mitigation of the effects of urbanization on storm water drainage. E. Make periodic reports to the County Board and the Lake County Municipal League.

Term of members/trustees: Two year terms expire January 12.

Composition: The Stormwater Management Commission consists of six County Board representatives and alternate representative, and six Municipal representatives (one from each Stormwater District).

Contact Name: Dijana Silber
