Joint Purchase Information

Scope of Work:
 The current security cameras, video servers, access control panels, wireless duress alarm equipment and PC work stations require software maintenance, software upgrades and preventative maintenance.

Procurement Method:
 Purchasing identified a cooperative purchasing contract through U.S. Communities (#4400008468) with Safeware that was competitively solicited and awarded. Pursuant to Article 10-101 of the Lake County Purchasing Ordinance, Cooperative Purchasing, Lake County may participate in a cooperative purchasing agreement for the procurement of goods with one or more public procurement units in accordance with an agreement entered into between the participants.

Department Recommendation:
 The Purchasing Division vetted the contract through U.S. Communities (#4400008468) with Safeware and determined that it met the requirements pursuant to State of Illinois Joint Purchasing Act and the Lake County Purchasing Ordinance. Lake County may participate in joint purchasing agreements for the procurement of goods with one or more public procurement units in accordance with an agreement entered into between the participants.
