The Honorable Sandy Hart
Lake County Board Chairman
18 N. County Street, 10th Floor
Waukegan, IL 60085

Dear Chairman Hart,

I am respectfully requesting to be re-appointed to the Board of Trustees for the Countryside Fire Protection District. I was originally appointed to the District Board in 2005 to finish the term of a Trustee who resigned at that time. It is my desire to continue to represent the district's residents in this fulfilling position. The current board's leadership continues to focus on providing fiscally responsible and internationally accredited fire, rescue, prevention and emergency medical services.

I am a lifelong resident of the Countryside Fire Protection District, living my many years in West Shore Park in the Diamond Lake community of unincorporated Lake County. I am a retired wealth manager and financial planner and feel my financial background adds strength to the Board of Trustees as the current Board Treasurer. I am an active supporter of community efforts and was a board member of the Mundelein High School District for over ten years. I am also a past Chairman of the GLMV Chamber of Commerce and was a president of the Mundelein Vernon Hills Rotary Club which supports local school districts and provides scholarships for students.

If it is your pleasure to re-appoint me, I will serve the District's residents faithfully and with the highest quality leadership of which I am capable. This is my promise and I look forward to your support.

Thank you also for your continued support of the Countryside Fire Protection District and the community we collectively serve.

Respectfully Submitted,
