Joint resolution to approve an Intergovernmental Agreement with the Village of Round Lake Beach for the Lake County Department of Planning, Building, and Development to provide plan review and inspection services in building, fire, and safety codes for the Village.

- The Lake County Planning, Building and Development Department previously provided County services in the areas of plan reviews and inspection services in building, fire, and safety codes for the Village under a successful pilot agreement in FY2013.
- Due to increased efficiencies in the Department's field operations and the Village's convenient geographical location, the Department currently has the capacity to continue utilizing existing staff to assist the Village while maintaining the current level of service with the Department's other clients and covering all departmental costs associated with such services to the Village.
- The proposed agreement will be effective from the date of execution for a period of two years.
