

This map illustrates the proposed Robert McClory Path and associated infrastructure improvements in the Skokie River area. The path is shown as a red line, while construction limits are indicated by a thick black line. Midblock improvements are marked with blue circles. The map includes a legend, an inset map of the region, and a north arrow.

Future Midblock Crossing Improvements:

Four blue circles are located on the Robert McClory Path, indicating areas for future midblock crossing improvements. These are located near Sunset Avenue, Grand Avenue, Washington Street, and Belvidere Street.

Inset Map:

The inset map shows the location of the study area within the larger context of the region, with a red box highlighting the area shown in the main map.

North Arrow:

A north arrow is located in the top right corner of the map.
