Vote to recommend approval by Lake County Board of Memorandum of Understanding with Lake County Housing Authority

- In 2013, the U.S. Department of Housing and Urban Development (HUD) issued a notice stating that public housing authorities could no longer complete internal environmental review records. Instead, the responsible entity ---which in the case of Lake County Housing Authority (LCHA) is Lake County government - must complete environmental review records (EERs) for applicable spending of HUD funds by the housing authority. The 2013 Notice is attached.
- The States Attorney's Office is tailoring a draft Memorandum of Understanding (MOU) between Community Development and the LCHA.
- A Request for Proposal to hire a consulting firm to provide environmental review records has been issued by the Lake County Purchasing Department.

- Last year, Lake County repaid HUD \$271K by creating HOME-eligible projects out of previously committed Lake County Affordable Housing Program grants.
- Staff proposes to document specific 2013 and 2015 Lake County Affordable Housing Program projects as HOME- or CDBG-eligible projects in case repayment of past HOME or CDBG projects becomes necessary.
