

Jennifer Banek, MS, CRNA

Lake County Coroner

JBanek@lakecountyil.gov

TO: THE LAW AND JUDICIAL COMMITTEE
FROM: CORONER JENNIFER BANEK
DATE: May 21, 2024
RE: CORONER'S INVESTIGATION REPORT FOR MARCH 2024

Coroner's Monthly Report of Investigations conducted for the month of **March 2024** ⁽¹⁾:

Non-Coroner's Cases ⁽²⁾	468
<u>Coroner's Case: ⁽³⁾</u>	<u>46</u>
Total Death Investigations:	514

Total death investigations for March 2023: 532

- Of the total Coroner's Cases for March 2024 (46), the Manner of Death (or suspected Manner of Death) is outlined in the following pages.
- Of the 46 Coroner's Cases a total of 41 had further forensic examination (Autopsy) conducted by Lake County Coroner's Forensic Pathologist, Eimad Zakariya, M.D., in conjunction with the Lake County Coroner's Forensic Technician and Deputy Coroner Investigators.
- The Lake County Coroner's Office Toxicology Laboratory conducted 29 toxicology tests, and, as a result, 27 samples were sent to an outside laboratory for further quantitative/qualitative or expanded testing.
 - In addition, the Lake County Coroner's Office Toxicology Laboratory conducted 152 toxicology tests for various outside agencies including the Lake County Jail and Probation Services.
- The Lake County Coroner's Office issued 328 Permits for Cremation to area funeral homes in March 2024, for a total of \$32,400 in revenue from state mandated permit fees.
- To date, Coroner Office Investigators completed and closed **89.13%** of March Cases within 60 days of the date of the case with 5 cases pending.
- In March 2024, the Coroner's Office investigated 3 deaths as a result of firearms, 3 Suicides. This brings the total number of firearm related deaths to 12 for the calendar year.

(1) As forensic reports such as Autopsy Reports, Toxicology Reports and other investigative agency reports may take 4 – 8 weeks for completion, Coroner Banek is presenting statistical data that is more complete than the previous month's data.

(2) Non-Coroner's Cases:

Cases reported to the Office of Coroner where Minimal Investigation is needed; primarily consisting of review of medical history, medical records, and discussion with health care providers involved in the case.

(3) Coroner's Cases

Thorough investigation as to the cause of death, with subsequent Case Conference to determine the manner of death (i.e., homicide, suicide, accidental, or undetermined). Where required and mandated by Illinois Statute by type of death, select cases may be sent to an Inquest by Jury.

Autopsies March 2024

Autopsy Types: **Full** – A complete external and internal examination is completed by the Forensic Pathologist with a written report.
Limited – A Complete external, and in some cases limited internal examination, is completed by the Forensic Pathologist with a written report.
External – No Physical examination is completed, however medical records from an external agency (hospital, nursing facility or physician) are reviewed by the Forensic Pathologist with a written report.
None – No physical examination or medical record review is necessary. Most of these cases are signed by the deceased’s physician however family or physician information is not available at the time of death warranting a response from the Coroner’s Office.
