Lake County Board Commissioner

Waukegan, IL 60085

Dear Linda,

One of our commissioners has resigned from our Drainage District Board. Alex Miller is living up in the Madison/Wisconsin Dells area and can no longer attend our meetings so he has resigned from the board.

We would like you and the Lake County Board to appoint his brother Jake Miller as his replacement. Jake is a part owner of the Miller farm as is Alex. The creek runs through the middle of their land and Jake wishes to serve as a Grub School Drainage District Commissioner.

I have attached Jake's information and a Bio for your consideration.

Thank you

Tom Doolittle
