<b>Evaluation Criteria</b>	
<b>A</b>	Consultant's experience with similar projects comparable in type, size, and complexity. Indicate the experience of the firm in conducting rate and connection fee studies of similar size and scope.
<b>B</b>	Qualifications of the consultant's staff assigned to perform the work with this project. The consultant shall identify the key personnel that will be assigned to this project and provide resumes of those individuals.
<b>C</b>	Consultant's understanding of the required tasks and needs as demonstrated in the consultant's scope of services. Describe your firm's understanding of the project and provide a clear description of the technical approach to be undertaken on the project, including the level of effort and estimated man-hours required for the proposed work. The consultant shall prepare a detailed Scope of Services for the project, detailing each of the items listed in the basic scope of services above. The consultant may include additional scope of service tasks for the County to consider for the overall success of the project.
<b>D</b>	Quality of Sample Deliverables.
