RE: **DesPlaines River Water Reclamation Facility Battery A Demolition Project  
Bid No. 10194, PW2009.083  
Bids/Recommendation of Award**

Attached for your attention is the bid tabulation sheet for the subject project. As you can see we received 8 bids

The apparent low bidder was Bullseye Contractors, LLC . However Bullyeye Contractors made mistake on the bid Form and requested that their bid be withdrawn (see emails to Gary Reis dated 1/21/2011 and 1/31/2011) .

We have contacted the references for the 2<sup>nd</sup> Low bidder, DTS Enterprises Inc. from North field, IL. Based on those references we recommend the contract be awarded to DTS Enterprises.

Therefore, barring any unforeseen circumstances we will recommend approval of award to DTS Enterprises Inc. for \$565,000.00 at the March 2, 2011 PW&T Committee meeting, with subsequent County Board award on March 8, 2011.

Enclosed herewith are all bid packages submitted on this project for your permanent record keeping.

Also enclosed are 3 copies of the contract documents for your use. We have attached the addendums, complete bid form and bid bonds. Please issue these documents to the contractor for execution of the agreement.

As you know I am the Project Engineer for this work. Please copy me on all correspondence to DTS Enterprises Inc.

Thank you for your attention in this matter.

c: Peter E. Kolb, Director  
Gordon White, Chief Engineer  
Attmts.
