Dear Board Member Hewitt:

This letter is to notify you of my intent to be considered for a Trustee position for the Beach Park Fire Protection District.

I have been a resident of Beach Park since 1993, and have interest in serving my community.

I have been retired from AbbVie since July 2016. Attached is a copy of my resume.

I would be available at your convenience to discuss details about the position and my background.

Respectfully Yours,

Frank Wagner
