Re: 2014 CDBG Village of Round Lake Beach
Roadway Improvements
Scope Revision

Dear Mr. Rose:

The Village of Round Lake Beach received a 2014 Community Development Block Grant (CDBG) award for the Beverly Drive and Golfview Drive Resurfacing Project. The award was based on the original scope of roadway improvements for approximately 7,300 feet of milling and resurfacing along with full depth patches, and storm sewer replacement where necessary. The total project cost was estimated at \$300,000. However, due to an error regarding the County's environmental assessment, the Village is requesting a scope revision to use the 2014 CDBG funds for the reconstruction of Maple Drive. Maple Drive consist of 800 feet of full reconstruction, installation of curb & gutter, proposed storm sewer system, proposed concrete sidewalk and an update to the roads geometry. The total project cost was estimated at \$301,000. Maple Drive was awarded 2016 CDBG funding, therefore the Village will apply both grants to this project.

The Village appreciates the Commission's consideration of this request.
