**MEMORANDUM**

TO: Aaron Lawlor, Chair  
Health and Community Services Committee

FROM: Delmer H. Powell, Jr. AICP Deputy Director

RE: Extension of the 2008 Brownfield Grant awarded to the City of Waukegan

---

Please consider the extension request from the City of Waukegan regarding its 2008 Brownfield grant (Waukegan Harbor Slip 3). The extension request is for one year. If approved by the Committee, the grant termination date would be extended to November 11, 2012. It is recommended that a six month status update be required in May 2012. Representatives from the City will be available to answer questions.
