Re: Re-appointment as alternate to the Lake  
County Zoning Board of Appeals

Dear Mr. Lawlor:

By this correspondence I am requesting consideration by the Lake County Board for re-appointment as an alternate member of the Lake County Zoning Board of Appeals (ZBA). I have served as an alternate to the ZBA for the past three (3) years. I have enjoyed serving on the ZBA and look forward to continuing to serve for another term.

I have attached a resume in support of my re-appointment by the Board. Please let me know if the Board requires additional specific information re: my qualifications.

Very truly yours,

  
Dennis Hockney

## Resume

I served for the last 20+<sup>1</sup> years of my professional career as a superintendent of schools in three different school districts as presented below.

1984-1990 – Beechwood Independent Schools - Ft. Mitchell, KY

1990-1995 – Madeira City School – Maderia, Ohio

1995-2004 – Community High School District 117 – Lake Villa, IL

Prior to serving as superintendent of schools I held various administrative positions including principal of two elementary schools, one in Tinley Park, IL and one in Ft. Knox, KY. I also served as a personnel director in Ft. Knox, KY. In addition I served a teacher in Indiana (Elkhart and Mishawaka).

My 39 years working in the public schools provided a strong education in dealing with the public in general and citizens in particular. My 20+ years as a school superintendent required working directly with a public board as well dealing directly with a variety of issues presented by the various publics served by a school district (parents, public, staff, students, elected officials, etc.)

In 2010 I was appointed as an alternate to the Lake County Zoning Board of Appeals (ZBA). The three (3) years I have served on the ZBA have provided me not only an education on the appeals process but also an understanding of the workings of the ZBA and the governance of Lake County.
