Additionally, Grantee certifies that it has filed the required certification under the Byrd Anti-Lobbying Amendment (31 USC 1352), if applicable.

8.2. Federal Form LLL. If any federal funds, other than federally-appropriated funds, were paid or will be paid to any person for influencing or attempting to influence any of the above persons in connection with this Agreement, the undersigned must also complete and submit Federal Form LLL, Disclosure of Lobbying Activities Form, in accordance with its instructions.

Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over \$25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

8.5. Subawards. Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. 10.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. (c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board

membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. 18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when

equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). ARTICLE XX INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in PART TWO or PART THREE.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and

achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

Assistance Listing Program Title: N/A

FAIN Number: N/A - FAIN Award Agency: N/A

Prior research provides solid evidence that community-based services for delinquent youth are more effective and less expensive than a sentence to secure confinement for a certain profile of youth offenders who are deemed likely to benefit from such services.

The intent of the Redeploy Illinois program is to grant funds to counties or groups of counties that will establish a continuum of local, community-based sanctions and treatment alternatives for juvenile offenders who would otherwise be incarcerated if those local services and sanctions were not available, as required by 730 ILCS 110/16.1.

In exchange for program funds, the provider agrees to reduce the number of Redeploy Illinois eligible commitments from that county (ies) by a minimum of 25% compared to the original agreed upon baseline. Established Redeploy program sites are subject to maintaining/reducing Redeploy eligible IDJJ commitments from a rolling baseline. Redeploy Eligible youth include any youth under the jurisdiction of the juvenile court, not currently in IDJJ, that is facing a possible commitment to IDJJ. Redeploy eligible commitments, for purposes of determining baselines and measuring reduction, exclude minors sentenced based upon a finding of guilt of first-degree murder or an offense which is a Class X forcible felony as defined in the Criminal Code of 1961.

The Redeploy Illinois sites assist the Department in identifying effective models to reduce commitments and guide replication efforts in other parts of the state. These funds are be used to help sites fill the gaps in the existing continuum of programs and services for delinquent youth, allowing counties to cost effectively serve youth locally and reduce

EXHIBIT A
PROJECT DESCRIPTION

their reliance on IDJJ.

Through Redeploy Illinois, counties link each youth to a wide array of needed services and supports within his or her home community, as indicated through an individualized needs assessment. Services are provided in the least restrictive manner possible, and include, but are not limited to, case management, court advocacy, education assistance, individual, family and/or group counseling, and crisis intervention.

Continuation Redeploy Illinois Program Sites

Redeploy Illinois programs that have completed a Planning Grant and, on average, met or exceeded the minimum 25% reduction requirement for fewer than five consecutive years will be designated as a "Continuation" Redeploy Illinois program site. A Continuation Redeploy Program site is subject to penalties based on their original approved Baseline and the 25% reduction requirement. Continuation Redeploy Program sites may only serve the Primary target population, defined as those youth under the jurisdiction of Juvenile Court, not currently in DJJ, facing a possible commitment.

Established Redeploy Illinois Program Sites

Redeploy Illinois programs that have, on average, met or exceeded the minimum 25% reduction requirement for five or more consecutive years on average will be designated as an "Established" Redeploy Illinois program site. This designation provides 2 significant benefits:

1. There will be NO penalties applied to programs that fail to meet reduction requirements while in this status designation; and
2. Established sites may expand services to certain youth not otherwise eligible to participate in the program:

Youth charged with Murder and Class X forcible felonies

Youth not facing a possible IDJJ commitment that are medium or high-risk youth charged with non-status misdemeanor or felony offenses and may include some pre-adjudicated youth.

To maintain this status, Established Redeploy Illinois programs must continue to maintain or reduce their IDJJ commitments, however, the original site baseline will not be used for this purpose while in this status. While in the Established status, providers will be charged with maintaining or reducing commitments compared to a new rolling baseline that will reflect the most recent 3-year annual average Redeploy eligible commitments for their corresponding service area (3 calendar years immediately preceding the state fiscal year grant period.) While IDJJ Data will continue to be used as the official data set by which the baseline and actual commitments will be measured, provider data will be regularly collected and utilized in the absence of IDJJ data to ensure continuity. There will be no change in what is considered a Redeploy Eligible commitment. Redeploy Eligible commitments

EXHIBIT A
PROJECT DESCRIPTION

will be monitored monthly and compared to the new baseline to ascertain progress and likelihood of meeting the new requirement so that technical assistance can be provided at the earliest opportunity.

A status redetermination will be made each year as part of the annual continuation application process. Sites that do not exceed their new baseline will automatically maintain their status as Established for the next grant period. Sites that exceed their new baseline will be reviewed by staff and the Redeploy Illinois Oversight Board on a case-by-case basis to determine the appropriate course of action.

RIOB may decide the following:

1. Extenuating circumstances existed that caused the level of commitments, site allowed to continue as Established Site
2. Determination that although commitment number may have exceeded baseline, commitments remain in line with the 3-year average, no corrective action required.
3. Allow to remain in Established status pending the results of a corrective action plan. Failure to comply with corrective action and/or failure to achieve intended result of corrective action will result in the site being placed in "Restorative Status"
4. Site placed in Restorative Status (See below)

Established Redeploy Illinois Program Sites in Restorative Status

Temporary status whereby the formerly Established site would have that status suspended. Site would revert back to a normal Redeploy program site, subject to penalties and no longer able to serve the expanded (secondary) population (except those already being served). While in Restorative Status, site will again be subject to penalties based on their original Baseline and the 25% reduction requirement. The site must achieve and maintain compliance for a period of time to be determined by the RIOB, not to exceed 3 years. Once the provider has achieved the terms of the RIOB decision, the provider would again become an Established site with restored benefits.

----- END OF PROGRAM: REDEPLOY ILLINOIS -----

EXHIBIT B
DELIVERABLES

A. The funds shall be used by the county(ies) for purposes of serving, in community-based settings, youth involved in the juvenile justice system through the creation of evidence-based programs and other resources that promote positive outcomes for youth while maintaining public safety.

B. Counties will establish and maintain a continuum of local, community-based sanctions and treatment alternatives for juvenile offenders who would otherwise be incarcerated if those local services and sanctions were not available, as required by 730 ILCS 110/16.1.

Minors determined guilty of murder, or a Class X forcible felony are eligible for services, however, they are excluded from the baseline and penalty calculations.

C. Counties will commit to maintaining or reducing the number of Redeploy Illinois eligible commitments from their county(ies) as follows:

1) Continuation provider sites: Reduce by a minimum 25% 12-Month IDJJ commitments of Redeploy Illinois Eligible youth from the applicant's original approved 3-year baseline (Previous 3 calendar year IDJJ Redeploy eligible commitment average 3 years prior to original grant / planning grant application).

2) Established provider sites: Maintain or reduce the 12 Month IDJJ commitments of Redeploy Illinois Eligible youth from the applicant's approved 3-year rolling baseline (Prior 3 Calendar year IDJJ Redeploy eligible commitment average 3 calendar years prior to the start of the grant period.)

3) Restorative/Non-Established provider sites: Reduce by a minimum 25% 12-Month IDJJ commitments of Redeploy Illinois Eligible youth from the applicant's approved 3-year baseline.

D. Counties will implement policies that will include: 1) treating juveniles in the least restrictive manner while maintaining safety; 2) affirming local responsibility for services in the community; and 3) defining the role of the state and local jurisdictions in the care of youth in the justice system.

E. County(ies) will develop and implement strategies to assist the team supporting the youth remember that, in the context of the holistic approach, the responsibility for change does not fall solely on the youth.

F. The County(ies) will develop and manage a continuum of services and sanctions from least restrictive to most restrictive designed to intervene with youth involved with the juvenile justice system. The services may be provided directly by the provider or subcontracted out to other community organizations. Redeploy Illinois projects will use the graduated sanctions model as described by OJJDP. The graduated sanctions model is based upon the premise that each time a youth commits a crime there should be quick consequences to their behavior. As the seriousness or frequency of the crime increases then the consequences should also be more severe.

G. The services and programs provided shall be culturally competent and research or evidenced based (EBP) as proven or promising practices. In addition, non-EBP services can be provided to supplement EBP services.

H. Services and programs should include efforts to stabilize families by ensuring basic needs are met.

EXHIBIT B
DELIVERABLES

I. Services and programs should work to build on strengths and assets of youth and families.

J. Programs and services shall be consistent with the Illinois Juvenile Court Act of 1987 and the principles of Balanced and Restorative Justice with the following purposes and policies: 1) The juvenile justice system should protect the community, 2) impose accountability to victims and communities for violations of law, and 3) equip juvenile offenders with competencies to live responsibly and productively.

K. The role of local government should be to oversee the provision of Redeploy Illinois services while ensuring community safety. There should be local responsibility and authority for planning, organizing, and coordinating service resources in the community.

L. The Redeploy Illinois program must be designed to target those youth who would otherwise be committed to IDJJ were it not for the Redeploy Illinois program. For Established sites, services may also target those youth considered high risk/high need who may be on the path to a future commitment.

M. While all IDJJ Redeploy eligible commitments will be counted toward baseline reduction requirements, each county may determine specific sub-populations of juveniles it will target through its Redeploy Illinois project. All youth served must be eligible to participate in the program based on the provider site status designation, including scoring medium/moderate to high risk/need on the JRA or GOALS tools.

N. Established programs planning to serve an expanded population of youth should identify and targeted those youth based on risk, need, lack of local resources, and/or challenges in coordinating services within the community.

O. Programs must make efforts to ensure Medicaid eligible services are provided by entities able to bill Medicaid for services. Medicaid should be billed where possible before using Redeploy funds.

P. Statewide data and data from existing sites indicate that there are three populations of juveniles most likely to benefit from and commonly targeted for Redeploy Illinois services. These are:

Juveniles committed as court evaluations or bring back orders;

Nonviolent offenders; and

Juveniles dually involved with the juvenile justice system and DCFS

Q. Diversity, Equity, and Inclusion (DEI): The Illinois Department of Human Services and Redeploy Illinois Oversight Board are committed to reducing the racial and ethnic disparities in the juvenile justice system. It is expected that Redeploy Illinois will further this goal. As counties develop and manage their programs, it will be critical to understand the impact it will have on racial and ethnic disparities. This impact must be monitored. In the event that the area to be served and the target population demonstrate the presence of gender, ethnic and/or racial disparity, the Annual plan must describe the programs plan to address and reduce the disparity. This could include the addition of programming that has been informed by research that addresses the unique aspects of gender, race, and/or ethnicity as associated with delinquency behavior. In addition, and if applicable, Redeploy Illinois providers will continue to address next steps derived

EXHIBIT B
DELIVERABLES

from recommendations made to their DEI Action Plans (formerly known as the DMC Action Plans).

R.Impact on Secure Detention: Redeploy Illinois services are designed to divert youth from the Illinois Department of Juvenile Justice (IDJJ) without increasing commitments to detention. Reducing reliance on the Department of Juvenile Justice should not directly increase the use of local secure detention placements. It is understood that Illinois currently has excess detention bed capacity. Simply not committing a juvenile to the Department of Juvenile Justice and instead placing him/her in local secure detention is not an acceptable response. Each year, counties will have to demonstrate that the juveniles involved with Redeploy Illinois did not experience excessive secure detention stays. For purposes of this initiative, "excessive secure detention days" will be defined as more than 50% of the average length of stay in secure detention or IDJJ. For example, if current local practices result in juveniles spending 200 days, on average, in IDJJ then secure detention stays greater than 100 days for juveniles involved with the Redeploy Illinois program is considered excessive.

S.GOALS Case Planning: Youth referred to the Redeploy Illinois program will participate in a screening process using the GOALS. Each enrolled youth will have an initial GOALS (conducted upon referral/enrollment). A closing GOALS Reassessment will also be completed for each youth upon their exit of the Redeploy Illinois program.

T.Each youth enrolled into the Redeploy Illinois program will have an individualized case plan developed that is based on the GOALS and any additional completed assessments. The services provided to each juvenile shall be individualized and based upon assessed need. The case plan should be created with input from all appropriate parties, including youth and their families, probation, and/or client care coordinators or juvenile justice specialists. The case plan should complement the probation case plan to ensure no overlap or contradictory goals.

U.Staff administering the GOALS are required to participate in GOALS training. These trainings will be made available by IDHS.

V.Background Checks: Background checks are required for all program staff and volunteers who have the potential for contact with youth under 18. These background checks must be completed in advance of individuals working directly with youth. Such individuals will authorize such checks in writing and submit to fingerprinting when required. The agency shall retain the signed form authorizing the background check. All background check information, including the signed authorizing forms shall be maintained separately in a confidential file, apart from the employee's personnel records. Funded programs will be required to have a written protocol in place detailing the requirement for background checks; evidence of their completion; the protocol for reviewing and making determinations regarding results; etc. In no case shall a Person who has been indicated as the perpetrator of any of the child abuse/neglect allegations identified in 89 Ill. Adm. Code Section 385.50(a) be deemed fit for service that allows access to children.

W.Logic Model: The Redeploy Illinois Logic Model represents a logical framework that will be used by the Department and the RIOB to evaluate the effectiveness of the identified

EXHIBIT B
DELIVERABLES

program model. The Logic Model depicts the intended outcomes expected as a direct result of the Provider successfully implementing the Strategies and associated Activities.

Funded, providers will be held accountable for implementing the identified program Strategies. These will be measured and verified through a combination of 1) desk audits; 2) on-site reviews; and through program performance measures.

X.Data Collection: Each site will be required to collect data to measure the following:

- 1.If an Established site, provider must be able to disaggregate client specific data associated with the "Expanded population"
 - 2.Number of juveniles committed to DJJ by age, gender, race, ethnicity, offense, and length of stay.
 - 3.Number of youth served, number of those youth newly enrolled during the reporting period, number of juveniles committed to DJJ with a brief narrative with demographic data and information on past efforts with each juvenile, including past participation in Redeploy (submitted monthly with expenditure data).
 - 4.Impact on Detention - new admissions, length of stay, and average daily population of secure detention for the total juvenile population as well as the juveniles involved with Redeploy Illinois.
 - 5.Program Data - outcome data of juveniles in the Redeploy Illinois program while actively involved in the program, six months after discharge from the program and twelve months after discharge. (Examples: school attendance/education level, diploma/GED, employment, and positive family relationships etc.).
 - 6.System Data - negative system outcome data of juveniles in the Redeploy Illinois program while actively involved in the program, six months after discharge from the program and twelve months after discharge. (Examples: new petitions or information filings, new incidents, commitments etc.).
 - 7.Impact on the disproportional use of secure confinement of minority youth in the system (detention, DJJ and other) and other points in the system targeted.
 - 8.Use of community-based treatment alternatives.
 - 9.Number of Redeploy Illinois youth successfully completing probation requirements, before, during or after completion of Redeploy Illinois.
 - 10.Number of Redeploy Illinois youth successfully discharged from the Redeploy Program.
 - 11.Initial and Closing GOALS data on Redeploy Illinois youth to assess youth progress towards personal and program goals.
 - 12.Education, Employment, Health and Wellness, Life Skills, Safety, Permanent Connections and Relationships, and Civic Engagement/Community Connections Outcome data before, during, and after discharge, including, but not limited to, number receiving services, types of services and outcomes.
- Y.Meeting Attendance: Providers must budget for and plan to attend a minimum of two statewide Redeploy Illinois meetings per year in the central part of the state.
- Z.Use of Funds: Funds will be used to support the Annual Plan and Budget approved by DHS that is intended to meet the goals of Redeploy Illinois. Redeploy Illinois funds may not be used for capital expenditures, renovations or remodeling, personnel costs for

EXHIBIT B
DELIVERABLES

probation, or electronic monitoring/Global Positioning System Monitoring equipment or associated costs. In addition, Redeploy Illinois funds shall not be used to duplicate existing services and programs or supplant existing county funded programs.

AA.Program Participant Eligibility: Any youth under the jurisdiction of the juvenile court, not currently in IDJJ, that is facing a possible commitment to IDJJ. Expanded program participant eligibility (Established program sites) may include Minors determined guilty of murder or a Class X forcible felony as defined in the Criminal Code of 1961 and youth not facing a possible IDJJ commitment that are medium or high-risk youth charged with non-status misdemeanor or felony offenses and may include some pre-adjudicated youth.

BB.Program Strategies: Each Redeploy Illinois site is responsible for implementing the following strategies within their County(s):

- 1.Implement programming that diverts Redeploy Illinois eligible youth from IDJJ commitments
- 2.Implement policies that ensure local responsibility and authority for planning, organizing, and coordinating service resources in the community.
- 3.Put in place a continuum of local, community-based graduated sanctions and treatment alternatives
- 4.Ensure a holistic approach to serving youth and their families using wrap and other, similar models.
- 5.Ensure appropriate risk and needs assessments are utilized.
- 6.Develop, implement and complete individualized case plans based on identified needs from appropriate assessments and information from Redeploy staff, the courts, youth, and their families.
- 7.Provide community-based services to youth in the least restrictive setting possible
- 8.Implement programming that is research or evidence-based as proven or promising
- 9.Implement non-traditional services and programs that supplement EBP.
- 10.Promote offender accountability through restorative justice practices that ensure offenders understand how their actions have affected others and take responsibility for their actions.
- 11.Empower communities to take responsibility for the well-being of its members.
- 12.Increase youth competencies and protective factors. Build up strengths and assets.
- 13.Ensure basic needs for families are met (food, clothing, etc.)
- 14.Ensure youth receive necessary mental health and substance abuse services
- 15.Ensure youth receive education and employment services
- 16.Provide opportunities for youth to experience positive activities with their families that expose them to other options and broaden their world view.
- 17.Involve the family in the provision of services.
- 18.Coordinate case plans and monitor progress of youth during the course of service provision to ensure services are having the intended impact and youth are on track to reach their goals.
- 19.Connect eligible youth and families to mainstream benefits (SSI, Medicaid, TANF, SNAP, WIC, etc.)

EXHIBIT B

EE. CaseWorks Reporting Requirements:

1. Providers must ensure all youth referred to the Redeploy Illinois program are entered into the Department's data system, whichever that may be.

EXHIBIT B
DELIVERABLES

2. Providers must complete a GOALS assessment on every youth considered for the program in the Department's data system.
 3. Providers must complete a GOALS Closing Assessment, on every youth accepted into the program in the Department's data system.
 4. Providers must complete an individualized case plan based on findings of the initial GOALS screen for every youth accepted into the program and enter it in the Department's data system.
 5. Providers must maintain agency; subcontractor; and program service delivery site information in the Department's system.
 6. Participant case plan and additional assessment information will be entered into the Department's data system.
 7. Participant outcome follow-up information will be entered into the Department's data system.
 8. Agency and program data and information provided to DHS may be shared with the Redeploy Illinois Oversight Board and may be included in the annual report to the Governor and General Assembly, or any other publication deemed appropriate by the Board. Data on individual youth will not be shared with the public.
- FF.DHS Local Area Offices - Providers will make efforts to develop and maintain collaborative working relationships with local Family and Community Resource Centers (FCRCs). This includes regularly participating in service provider meetings or events as requested to ensure the local office staff are aware of the program in case they need to make a referral.

GG. Penalties: The Redeploy Illinois Oversight Board, in accordance with the Redeploy Illinois statute, is required to impose a penalty for each youth committed to IDJJ that exceeds the 25% reduction requirement from the sites approved baseline. This reduction is figured over a full 12 consecutive month project period. This project period will match either the state fiscal year or a calendar year and will be agreed upon by the sites as part of their application/plan. The baseline is pre-determined and will be set for future years of Redeploy Illinois implementation. This baseline figure is calculated by averaging the number of Redeploy Illinois eligible commitments over a 3-year period. The data used to calculate these rates is data provided by the Illinois Department of Juvenile Justice. Project Period.

No penalty may be imposed on any site unless they exceed the approved reduction requirement of their baseline in any single 12 consecutive month project period. Each excess commitment will be reviewed to ascertain commitment type. This would be the basis upon which any penalty may be calculated. The data used to calculate commitments for a given project period will be provided by the Illinois Department of Juvenile Justice. The maximum penalty for each court evaluation/bring back order will not exceed \$2,000 for each commitment over the reduction requirement and will not exceed \$4,000 for each full commitment over the reduction requirement.

EXHIBIT B
DELIVERABLES

Continuation Redeploy sites and Established Sites in Restorative Status funded under this notice are subject to penalties as described above. Redeploy providers funded under this notice that are designated as Established Redeploy sites will NOT be subject to penalties. Established provider sites that lose this designation and/or are designated to be in a Restorative status will be subject to the same expectations and penalties as Continuation sites above.

HH.Provider Status Determination:

1.Continuation Redeploy Program Sites

Redeploy programs that have successfully completed Phase 1 and Phase 2 of the Planning Grant process and have, on average, met the 25% reduction requirement for fewer than five years will be designated as a Continuation Redeploy Illinois program site.

2.Established Redeploy Illinois Program Sites

Redeploy Illinois programs that have, on average, met or exceeded the minimum 25% reduction requirement for five or more consecutive years will be designated as an Established Redeploy Illinois program site. To maintain this status, Established Redeploy Illinois programs must continue to maintain or reduce their IDJJ commitments. While in the Established status, providers are be charged with maintaining or reducing commitments compared to a new rolling baseline that will reflect the most recent 3-year annual average Redeploy eligible commitments for their corresponding service area (3 calendar years immediately preceding the state calendar year grant period.). While IDJJ Data will continue to be used as the official data set by which the baseline and actual commitments will be measured, provider data will be regularly collected and utilized in the absence of IDJJ data to ensure continuity. There will be no change in what is considered a Redeploy Eligible commitment.

A status redetermination will be made each year as part of the annual continuation application process. Sites that do not exceed their new baseline will automatically maintain their status as Established for the next grant period. Sites that exceed their new baseline will be reviewed by staff and the Redeploy Illinois Oversight Board on a case-by-case basis to determine the appropriate course of action.

RIOB may decide the following:

Extenuating circumstances existed that caused the level of commitments, site allowed to continue as Established Site

Determination that although commitment number may have exceeded baseline, commitments remain in line with the 3-year average, no corrective action required.

Allow to remain in Established status pending the results of a corrective action plan.

Failure to comply with corrective action and/or failure to achieve intended result of corrective action will result in the site being placed in "Restorative Status"

Site placed in Restorative Status (See below)

EXHIBIT B
DELIVERABLES

3. Established Redeploy Illinois Site in Restorative Status

Restorative status is a temporary status whereby the previously Established site would have that status suspended. Site would revert back to the Continuation Redeploy program site requirements, subject to penalties and no longer able to serve the expanded (secondary) population (except those already being served). While in Restorative Status, site will again be subject to penalties based on their original Baseline and the 25% reduction requirement. The site must achieve and maintain compliance for a period of time to be determined by the RIOB, not to exceed 3 years. Once the provider has achieved the terms of the RIOB decision, the provider would again become an Established site with restored benefits.

Additional Requirements

1.Revisions

If necessary, a provider may request a modification to the approved program plan and/or approved Spending Plan/Uniform Budget. Exceptions to the above deadline will be limited, considered on a case-by-case basis, and must be approved in writing by Division leadership.

Once the Department pre-approves the revision request, the provider will enter the proposed revision into the CSA system to be officially approved. Upon approval, DHS staff will then update the "Approved Budget Tab" of their Expenditure Documentation and Certification Form (EDCF) for submission with their next monthly expenditure report.

2. Indirect/Direct Administrative and Direct Costs

This grant has no limitations on indirect cost. In order to charge indirect costs to this grant, the applicant organization must have a Federal or State annually negotiated indirect cost rate agreement (NICRA) or must elect to use the De Minimis Rate.

Every organization that receives a state award must make an indirect cost rate proposal or election in the Crowe Activity Review System (CARS), including organizations that are choosing not to claim payment for indirect costs.

Indirect Cost Rate Election

- a. Federally Negotiated Rate. Organizations that receive direct federal funding may have an indirect cost rate that was negotiated with the Federal Cognizant Agency. Illinois will accept the federally negotiated rate.
- b. State Negotiated Rate. The organization must negotiate an indirect cost rate with the State of Illinois by completing an indirect cost rate proposal in the CARS system if they do not have Federally Negotiated Rate or elect to use the De Minimis Rate.
- c. De Minimis Rate. An organization that has never received a Federal or State Negotiated Rate may elect a de Minimis rate of 10% of modified total direct cost (MTDC). Once established, the de Minimis rate may be used indefinitely. The State of Illinois must verify the calculation of the MTDC annually in order to accept the de Minimis rate. If programs elect to use the De Minimis rate, it is critical that program budgets accurately calculate the MTDC base (see 2 CFR 200.68).
- d. "No Rate": Grantees have discretion not to claim payment for indirect costs. Grantees that elect not to claim indirect costs cannot be reimbursed for indirect costs. The organization must record an election of "No Indirect Costs" into CARS.

Crowe Activity Review System (CARS).

CARS will allow your organization to document your already established federally approved indirect cost rate, complete an indirect cost rate proposal (see State Negotiated Rate above), elect to charge the De Minimis rate (10%) of modified total direct costs (MTDC), or select that no reimbursement of indirect costs will be requested. Submission requirements are located on page 2 of the Uniform Budget Template as well as 2 CFR 200 Appendix IV, V & VII.

- i. Organizations which have not previously made an indirect cost rate election must submit an election (and indirect cost rate proposal, if necessary) immediately and no later than 3 months after receiving an award notification or invitation to the CARS system.
- ii. Organizations that have previously established an indirect cost rate election must submit a new indirect cost rate election immediately and no later than 6 months after the close of their organization's fiscal year.
- iii. Every organization must make an indirect cost rate election in CARS even if the organization is choosing De Minimis Rate or "no rate". Organizations that do not make an election or submission inside the CARS system within the required timeframes will not be

allowed to claim indirect cost reimbursement.

EXHIBIT F
PAYMENT

Payment Terms

The Illinois Department of Human Services (IDHS) payment policy complies with 2 CFR 200.302, 2 CFR 200.305, 31 CFR 205 (procedures implementing Cash Management Improvement Act and Treasury-State Agreement (TSA)), and 44 Ill. Admin. Code 7000.120 (GOMB Adoption of Supplemental Rules for Grant Payment Methods). The three award payment methods are described below:

Advance Payment (Advance and Reconcile)

An initial payment will be processed in an amount equal to the first two months' cash requirements as reflected in the Advance Payment Requirements Forecast (Cash Budget) Form submitted with the Grantee's application. The initial payment will be processed upon execution of the grantee's Uniform Grant Agreement. Cash Budgets must be signed by either the Chief Executive Officer (or equivalent) or Chief Financial Officer (or equivalent) for the entity. The executive's signature certifies that their entity complies with the requirements set forth in 2 CFR 200.302 (Financial Management) and 44 Ill. Admin. Code 7000.120(b)(i)(A) (Advance Payments).

Advance payments must be limited to the minimum amounts needed and be timed to be in accordance with the actual, immediate cash requirements of the grantee in carrying out the purpose of the program.

Grantees must submit monthly invoices in the format and method prescribed in the Grantee's executed Uniform Grant Agreement. The first invoice is due within 15 days after the first month of the Award's term. Invoices must be submitted on or before the 15th calendar day following the end of each monthly invoice period. Invoices must include only allowable incurred costs that have been paid by the Grantee. For programs that have Grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.

Subsequent monthly payments will be based on each monthly invoice submitted by Grantee to Grantor, and will be adjusted up or down, based on a comparison of actual cumulative expenditures to cumulative advance payments, to date.

Grantees that do not expend all advance payment amounts by the end of the Award term or that are unable to demonstrate that all incurred costs were necessary, reasonable, allowable, or allocable as approved in their respective budget, must return the funds within 45 days.

Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

Failure to abide by advance payment governance requirements may result in grantee losing their right to advance payments.

Reimbursement

IDHS will disburse payments to Grantee based on actual allowable costs incurred as reported in the monthly financial invoice submitted for the respective month, as described below.

EXHIBIT F PAYMENT

Grantees must submit monthly invoices in a format prescribed by Grantor. Invoices must include all allowable incurred costs for the first and each subsequent month of operations until the end of the Award term. Invoices must be submitted on or before the 15th calendar day following the end of each monthly invoice period. As practicable, Grantor shall process payment within 15 calendar days after receipt of the invoice, unless the State awarding agency reasonably believes the request to be improper.

Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

Working Capital Advance

Grantees may request separate working capital advance payments. Requests must be submitted on the IDHS Advance Payment Request Cash Budget Template (Cash Budget) to the respective grant Program Manager. The Cash Budget must include monthly cash requirements for every month of the grant term. Requests must be signed by either the Chief Executive Officer (or equivalent) or the Chief Financial Officer (or equivalent) for the entity. The executive's signature certifies the cash requirements are actual expected costs.

IDHS Grant Program Managers will advance working capital payments to the grantee to cover their estimated disbursement needs for an initial period not to exceed two months of grant expenses. Startup costs may be approved if determined by IDHS Grant Program Managers to be allowable.

Grantees must submit monthly invoices for each of the one or two months covered by the Working Capital Advance in the format and method prescribed by the Grantor. The first invoice is due 15 calendar days after the first month of the Award term. Invoices must include only allowable incurred costs that have been paid by the grantee. For grant programs that have grantee matching requirements, allowable costs are only reimbursable when matching costs have also been incurred.

Grantees may be required to submit supporting documentation for their requests at the request of and in a manner prescribed by the Grantor.

Working Capital Advance Payments are limited to a single occurrence per grant term.

Following the initial working capital advance payment, grantees will be paid via advance or reimbursement method as appropriate.

Additional Advance Payments

Additional advance payments may be considered on a case-by-case basis. Such requests must be made in writing, may require supporting documentation and must be approved by IDHS Executive Staff.

Final Payment

The final payment from the Department under this Agreement shall be made upon the Department's determination that all requirements under this Agreement have been completed, which determination shall not be unreasonably withheld. Such final payment will be subject to adjustment after the completion of a review of the Applicant's records as provided in

EXHIBIT F
PAYMENT

the Agreement.

Stop Payment

The Grant Accountability and Transparency Act (GATA) protects the quality of grant programs by limiting fraud, waste and abuse. GATA specifically requires the Governor's Office of Management and Budget (GOMB) to maintain a "list of individuals and entities that are ineligible, either temporarily or permanently, to receive an award of grant funds from the State." 30 ILCS 708/60(a)(8). In response to this requirement, the State of Illinois has set policy known as the Grantee Compliance Enforcement System (GCES) based on established federal law and supporting guidance. The system, Stop Pay List Tracking System (SPLTS), will only be used to track non-compliance of grantees.

Non-compliance issues are classified as follows:

A. Temporary Stop Payment Status:

1. Late performance or expense reporting;
 2. Failure to clear fiscal/administrative monitoring issue(s);
 3. Failure to submit a timely audit report;
 4. Failure to respond to audit report or monitoring review corrective action for deficiencies and material weaknesses;
 5. Failure to submit a required refund payment or a payment missing from the payment plan;
- or
6. Factually based discretionary issue documented by the leadership within the awarding agency.

B. Permanent Stop Payment Status

1. Facts documented by the applicable state agency including but not limited to:

- a) Conviction of or civil judgment for commission of fraud or a criminal offense, violation of federal or state antitrust statutes, commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, tax evasion, or commission of any other offense indicating a lack of business integrity or business honesty that seriously and directly affects present responsibility.

PART TWO –GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

**ARTICLE XXIII
ADDITIONAL CERTIFICATIONS**

23.1 **Certifications.** Grantee shall be responsible for compliance with the enumerated certifications to the extent that the certifications legally apply to Grantee:

(a) **Adult Protective Services Act.** Grantee certifies that it is in compliance with the Adult Protective Services Act to protect people with disabilities who are abused, neglected or financially exploited and who, because of their disability, cannot seek assistance on their own behalf. Anyone who believes a person with a disability living in a domestic setting is being abused, neglected or financially exploited must file a complaint with the Illinois Department on Aging. Grantee has an obligation to report suspected fraud or irregularities committed by individuals or other entities with whom it interacts on Grantor's behalf and should make a report to the appropriate program office (320 ILCS 20/1 *et seq.*).

(b) **Grant Award Requirements.** Grantee certifies that it is in compliance with 45 CFR Part 93 and 45 CFR Part 94.

(c) **Business Entity Registration.** Grantee certifies that it is not required to register as a business entity with the State Board of Elections pursuant to the Procurement Code (30 ILCS 500/20-160 and 30 ILCS 500/50-37). Further, Grantee acknowledges that all contracts between State agencies and a business entity that do not comply with this Paragraph shall be voidable under Section 50-60 of the Procurement Code (30 ILCS 500/50-60).

**ARTICLE XXIV
ADDITIONAL TERMS**

24.1 **Renewal.** This Agreement may be renewed for additional periods by mutual consent of the Parties, expressed in writing and signed by the Parties. Grantee acknowledges that this Agreement does not create any expectation of renewal.

24.2 **Multiple Locations.** In the event that Grantee has more than one location, Grantee shall include in **EXHIBIT C** either (1) the address, phone number and hours of operation of each location, or (2) the address, phone number and hours of operation of Grantee's primary location.

24.3 **Changes in Key Grant Personnel.** When it is specifically required as a condition of an Award, the replacement of the Program director or a key person or a substantial reduction in the level of their effort, e.g., their unanticipated absence for more than three (3) months, or a twenty-five percent (25%) reduction in the time devoted to the Award purposes, requires Prior Approval from Grantor. When it is specifically required as a condition of an Award, Prior Approval will be required for the replacement or the substantial reduction in the level of effort of other personnel whose work is deemed by Grantor to be critical to the Award's successful completion. All requests for approval of changes in key Grant personnel shall be signed by Grantee's authorized representative and submitted to the appropriate Grantor program personnel. Evidence of the qualifications for replacement personnel (such as a résumé) shall be included. 2 CFR 200.308.

24.4 Grant Funds Recovery. The provisions of 89 Ill. Admin. Code 511 shall apply to any funds awarded that are subject to the Illinois Grant Funds Recovery Act.

24.5 Employee and Subcontractor Background Checks. Grantee certifies that neither Grantee, nor any employee or subcontractor who works on Grantor's premises, has a felony conviction. Any request for an exception to this rule must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction. Grantee will also supply Grantor with a list of individuals assigned to work on DHS' premises at least ten (10) working days prior to the start of their employment, unless circumstances prevent Grantee from giving a list within that time. If Grantee cannot provide a list, or the name of an individual, at least ten (10) working days prior to his/her employment, it shall do so as soon as possible. Grantor may conduct, at its expense, criminal background checks on Grantee's employees and subcontractors assigned to work on Grantor's premises. To the extent permitted by Illinois law, Grantee agrees to indemnify and hold harmless Grantor and its employees for any liability accruing from said background checks.

24.6 Gifts. In addition to the Gift ban described in Paragraph 22.1, Grantee will provide Grantor with advance notice of Grantee's provision of gifts, excluding charitable donations, given as incentives to community-based organizations in Illinois and clients in Illinois to assist Grantee in carrying out its responsibilities under this Agreement.

24.7 Current Contact Information and Notices. Grantee shall update its contact information, including email address, phone number and job title, in the Community Services Agreement (CSA) Tracking System under the My Info tab, when any such information changes. In addition, Grantee shall contact the DHS Office of Contract Administration when its mailing address changes to update that information. Grantee acknowledges and agrees that any notices from Grantor may be made to its mailing address, electronic mail (email) address, or facsimile (fax) telephone number, at Grantor's choosing. Such notice shall be effective upon dispatch.

24.8 Supplies Disposition. Grantee must obtain disposition instructions from Grantor when supplies, purchased in whole or in part with Grant Funds, are no longer needed for their intended purpose. Notwithstanding anything to the contrary contained within this Agreement, Grantor may require transfer of any supplies to Grantor or a third party for any reason, including, without limitation, an Award is terminated or Grantee no longer conducts Award activities. The Grantee shall properly maintain, track, use, store and insure the supplies according to applicable best practices, manufacturer's guidelines, federal and State laws or rules, including without limitation those contained at 2 CFR 200.310 to 2 CFR 200.326, and Department requirements stated herein. All obligations regarding use and ownership of supplies, purchased in whole or in part with Grant Funds, shall survive the termination of this Agreement.

24.9 Reporting Requirements. The reporting timeframes described in Paragraphs 10.1, 10.2, 11.1 and 11.2 are specified in **EXHIBIT B**. In addition, Grantee acknowledges it must cooperate with all Grantor-initiated post Close-out audits or reviews, including, but not limited to, submission of any Grantor-required forms.

24.10 Payment Information. Payment information described in PART ONE is specified in EXHIBIT F.

ARTICLE XXV MONITORING AND INFORMATION

25.1 Monitoring of Conduct. In addition to ARTICLE IX of **PART ONE**, Grantor shall monitor Grantee's conduct under this Agreement which may include, but shall not be limited to, reviewing records of performance in accordance with administrative rules, license status review, fiscal and audit review, Agreement compliance and

compliance with the affirmative action requirements of this Agreement. Grantor shall have the authority to conduct announced and unannounced monitoring visits and Grantee shall cooperate with Grantor in connection with all such monitoring visits. Failure of Grantee to cooperate with Grantor in connection with announced and unannounced monitoring visits is grounds for Grantor's termination of this Agreement.

25.2 Requests for Information. Grantor may request, and Grantee shall supply, upon request, necessary information and documentation regarding transactions constituting contractual (whether a written contract exists or not) or other relationships, paid for with funds received hereunder. Documentation may include, but is not limited to, information regarding Grantee's contractual agreements, identity of employees, shareholders and directors of Grantee and any party providing services which will or may be paid for with funds received hereunder, including, but not limited to, management and consulting services rendered to Grantee.

25.3 Rights of Review. This O does not give Grantor the right to review a license that is not directly related to the Award being audited nor does it allow Grantor to unilaterally revoke a license without complying with all due process rights to which Grantee is entitled under Federal, State or local law or applicable rules promulgated by Grantor.

ARTICLE XXVI WORK PRODUCT

26.1 Assignment of Work Product. "Work Product" means all the tangible materials, regardless of format, delivered by Provider to DHS under this Agreement. Grantee assigns to Grantor all right, title and interest in and to Work Product. However, nothing in this Agreement shall be interpreted to grant Grantor any right, title or interest in Grantee's intellectual property that has been or will later be developed outside this Award.

26.2 License to Grantor. To the extent Grantee-owned works are incorporated into Work Product, Grantee grants to Grantor a perpetual, non-exclusive, paid-up, world-wide license in the use, reproduction, publication and distribution of such Grantee-owned works when included within the Work Product. Grantee shall not copyright Work Product without Grantor's prior written consent.

26.3 License to Grantee; Objections. Grantor grants to Grantee a perpetual, non-exclusive, paid-up license to publish academic and scholarly articles based upon the services rendered under this Agreement. All materials to be published shall first be submitted to Grantor at least forty-five (45) days prior to publication or other disclosure. Upon written objection from Grantor, Grantee shall excise any confidential information, as that term is defined in applicable State and Federal statutes, federal regulations and Grantor administrative rules, from materials before publication. Grantor may also object to the publication on grounds other than confidentiality. As to the latter objections, Grantee and Grantor will attempt to resolve Grantor's concerns within the forty-five (45) day review period, or as otherwise agreed between the Parties. Grantor waives any objections not made to Grantee in writing before expiration of the review period.

26.4 Unresolved Objections; Disclaimer. If Grantor's objections on grounds other than confidentiality are not resolved within the review period or other such time as agreed by the Parties, then Grantee may publish the materials but shall include therein the following disclaimer: "Although the research or services underlying this article were funded in whole or in part by the [Grantor], the [Grantor] does not endorse or adopt the opinions or conclusions presented in the article." Notwithstanding the above, Grantor shall not have the right to control or censor the contents of Grantee publications.

ARTICLE XXVII

POST-TERMINATION/NON-RENEWAL

27.1 Duties. Upon notice by Grantor to Grantee of the termination of this Agreement or notice that Grantor will not renew, extend or exercise any options to extend the term of this Agreement, or that Grantor will not be contracting with Grantee beyond the term of this Agreement, Grantee shall, upon demand:

(a) Cooperate with Grantor in assuring the transition of recipients of services hereunder for whom Grantee will no longer be providing the same or similar services or who choose to receive services through another Grantee.

(b) To the extent permitted by law, provide copies of all records related to recipient services funded by Grantor under this Agreement.

(d) Provide detailed accounting of all service recipients' funds held in trust by Grantee, as well as the identity of any recipients for whom Grantee is acting as a representative payee of last resort.

27.2 Survival. The promises and covenants of this Article shall survive the Term of this Agreement for the purposes of the necessary transition of recipients of services hereunder.

28.3 Plan Implementation. For Grantees that have an LCC Plan, the Grantee certifies that it is updated annually to identify all goals met and to describe any efforts made toward meeting additional goals still in progress.
