Hi, Aaron,

Was good seeing you last week. Attached is the resume of Linda Kellough, the woman who was serving as my alternate on the CDC per our prior bylaws. I have also pasted into this email the email she originally sent me confirming her willingness to serve.

After Wed. night's meeting, I let her know about the bylaws change and told her I would be forwarding her resume to you in hopes that she could be properly appointed as a CDC alternate.

Hi Janet--

Thank you for the opportunity to possibly serve as your alternate on CDC Application Review Committee – Affordable Housing. I have attached a resume detailing my professional and volunteer experience in a range of activities that I believe would enable me to make a contribution to the work of this committee, if called upon to do so.

Please let me know if I can provide more information that would be helpful.

Best regards--

Linda Kellough
