Hi Larry,

Thank you again for your time today. Could you please have the following statement read into the record at tomorrow's hearing to change this chapter?

Good afternoon, my name is Carissa Casbon and I am a Lake County Board Member. I am writing to support the changes proposed to Chapter 177 as presented. I have a tobacco and vape shop in my district that has repeatedly violated the law by selling to underage patrons. I believe the changes proposed to this chapter will clarify and strengthen the hearing process by moving the hearing responsibility from the Health Department to the Board of Health Hearings Committee. I am fully in support of the proposed changes.

Respectfully,
Carissa Casbon, Lake County Board District 7

Hi Carissa-

Here are the proposed changes to the retail tobacco sales ordinance that we are taking to the public hearing tomorrow. Thanks.
