Joint resolution authorizing an agreement with the City of North Chicago for the jurisdictional transfer of Lewis Avenue, from Argonne Drive to 14th Street, from the City of North Chicago to Lake County, and designated as Section 14-00999-05-RS.

Member Maine inquired why the County is allowing the City of Waukegan to provide routine maintenance of the road but have the County continue to assume the maintenance of capital projects. Al Giertych of the Division of Transportation indicated Lewis Road was already resurfaced from 14th Street to Belvidere Road. He indicated that the City of Waukegan would like to maintain permit access control. Member Maine requested that standard criteria be developed for consistency throughout the County.

Discussion ensued.

A motion was made by Member Durkin, seconded by Member Werfel, that this resolution be approved and referred on to the Financial and Administrative Committee. Motion carried by voice vote.

Joint committee action item approving Change Order Number One, consisting of an increase of \$32,000 for additions to the Buffalo Creek Wetland Bank Phase II Consultant Agreement, and designated as Section No.01-00000-00-ES.

Emily Karry of the Division of Transportation indicated that this is the first wetland bank project design for the County. The Army Corp of Engineers has requested that adjustments be made, which has increased the cost beyond the project's 10 percent contingency.

This matter was approved and referred on to the Financial and Administrative Committee

7.15 [16-1075](#)

Joint resolution authorizing an agreement with the State of Illinois/Illinois Department of Transportation (IDOT) for the 2016/2017 winter season routine snow and ice control on designated state roads and authorizing an emergency appropriation of \$208,324 in the County Highway Tax fund and \$106,986 in the Motor Fuel Tax fund in FY2016.

Kevin Kerrigan of the Division of Transportation presented the proposed agreement with the Illinois Department of Transportation (IDOT) to permit the County to snow plow three state roads. He reviewed the terms of the agreement, noting that the County will purchase the snow plow trucks and hire snow birds prior to payment from IDOT. He reported that the three roads to be plowed are Route 83 from Route 173 to Route 120, Route 173 from Wilmot Road to Route 41, and Route 120 from Route 83 to Mill Road. If the County experiences an unusually heavy snowfall period, the County will return to IDOT to renegotiate the contract. Mr. Kerrigan noted that the County has requested that any townships interested in assisting IDOT should contact IDOT directly.

A motion was made by Member Werfel, seconded by Member Pedersen, that this item be approved and referred on to the Financial and Administrative Committee. The motion carried unanimously.

Director's Report - Transportation.

Al Giertych of the Division of Transportation reported that a RTA/Metra combined budget presentation will occur this evening at the Mundelein Village Hall, a public hearing for the Cook County Road Project from Quintin Road to Lake Cook Road will be held on November 15, 2016 at the Holiday Inn in Palatine, and a public hearing for the Skokie Valley Bridge Project meeting will be held on November 29, 2016 at the Highland Park Police Station. Mr. Giertych reported that a public information meeting will be held on November 30, 2016 for the Deerfield Road Project at Aptakistic Junior High in Buffalo Grove and a public hearing on the 59th and Grand Project will be held on November 31, 2016 at the Fox Lake Library.

Mr. Giertych reported that RTA, Metra, and Pace will present their budget to the County Board at the Committee of the Whole meeting on November 4, 2016. The Illinois Department of Transportation (IDOT) is currently holding its multi-year capital improvement meetings. Mr. Giertych stated that due to a culvert failing, an emergency culvert repair is underway north of Grand Avenue which will require a two day road closure on Sand Lake Road. Mr. Giertych added that the snow and ice control workshops have been well received and a third session was added to allow private contractors to attend.

PUBLIC WORKS

7.17 [16-1104](#)

Joint committee action approving Change Order Number Two for the Bridlewood Reservoir Project professional services scope revisions with Rezek Henry Meisenheimer Engineers, Inc. Mundelein, Illinois, in the amount of \$4,206.

Public Works Director Peter Kolb reported that the project has exceeded its 10 percent contingency due to a variance that was approved by the Lake County Zoning Board of Appeals, requiring site revisions and the abandonment of well number six. There was also additional work that was not previously included in the project scope but is germane to the project.

A motion was made by Member Maine, seconded by Member Werfel, that this item be approved and referred on to the Financial and Administrative Committee. The motion carried unanimously.

Aye: 8 - Chair Thomson-Carter, Vice Chair Sauer, Member Durkin, Member Maine, Member Mathias, Member Pedersen, Member Taylor and Member Werfel

7.18 [16-1106](#)

Update regarding the activities of the Des Plaines River Watershed Workgroup (DRWW).

Public Works Director Peter Kolb reported that the Stormwater Management Commission is a dues paying member of the Des Plaines River Watershed Workgroup. He introduced Mike Warner of the Stormwater Management Commission. Mr. Warner provided an update on the Des Plaines River Watershed Workgroup. He reported that there are 20 members in the group, an increase of two members from 2015, and that \$226,000 has been collected for dues. Mr. Warner reviewed the voting tier of participants, noting several agencies are required by the Illinois Environmental Protection Agency (IEPA) to hold individual permits for wastewater treatment plants.

Mr. Warner identified accomplishments of the group, to date, including the development of a stakeholder contact database, the hosting of seven meetings, and completion of the stream and detention basin inventory. The group is monitoring the water for living organisms, elements that are being dissolved in the water, and elements that are contained in the stream sediment. The group is working with regulators to determine if there is a way to do projects, that will accomplish the same results, that are being requested by the IEPA without putting restrictions on phosphorous levels at wastewater treatment centers.

Director's Report - Public Works.

Public Works Director Peter Kolb reported that this is his last meeting, noting that he will retire in December. He thanked the Committee members for their support. Several Board members thanked Director Kolb for his Service.

Mr. Kolb updated the Committee regarding obtaining easements in Section 907 of the Central Lake County Joint Action Water Agency agreement. Discussion ensued.

Mr. Kolb noted that the County will go into mediation later this month with the Village of Fox Lake regarding a contract dispute. Chair Thomson-Carter provided an update regarding the sanitary sewer policy committee meeting.

Members of the Committee thanked Chair Thomson Carter for her guidance and leadership on the Public Works and Transportation Committee and as a fellow board member. Chair Thomson Carter remarked on her time with the County and thanked staff and board members.
