

Glenn L. Swanson, Wauconda Twp. Supervisor

.Qualifications

I have many life experiences through education, politics, elections, and active dedicated service to the citizens of Wauconda Township-Lake County-McHenry County. I am a life-long resident of Wauconda Township and understand our residents concerns and needs. Wauconda Township under my leadership operates in a fiscally responsible manner with a balanced budget since I was elected to serve. We have added needed services while reducing spending and costs. I have worked closely with our State legislators, County Board Representatives, local Mayors, and many others on many projects, especially grants from the State of Illinois and Federally Funded Pace.
