

SITE PHOTOS

Bikepath unusable essentially for the last 10 years (at least).

View along the creek east of Brandywyn Lane and south of Bordeaux Ct.

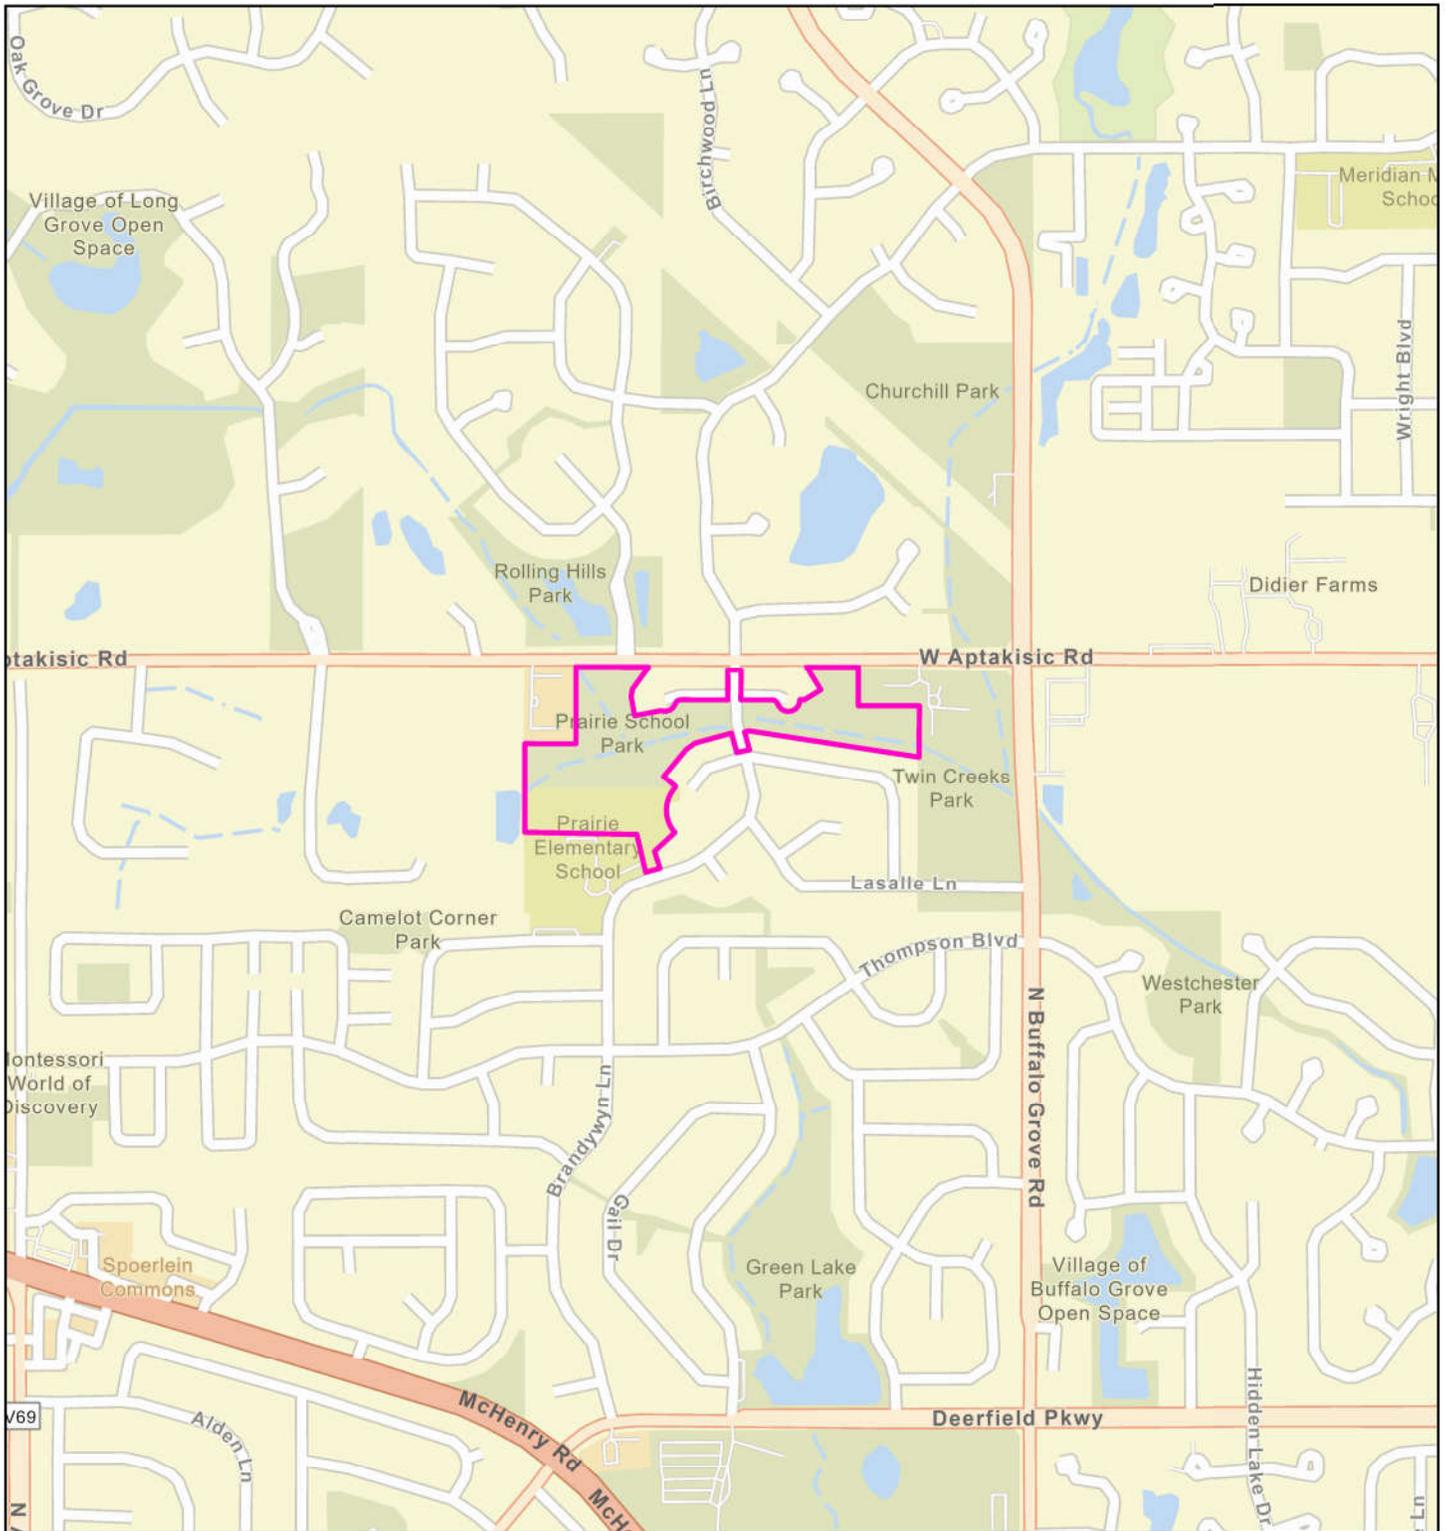

View to the southwest from Bordeaux Ct W. (Prairie Elementary School in the background).

Close-up view of limited species diversity.

SITE MAPS

Note the site maps are marked as “preliminary exhibit” as the best illustration of the planned work for the whole project. Current plans in permitting do not represent the full overview due to the scale. It is estimated that the current plans are approximately 75% through the permitting process.
