Dear Ms. Flanigan:

I am writing to inform you of recent Authority Budget Committee action concerning continued federal funding of the law Enforcement and Prosecutor-Based Victim Services program. At their June 27, 2012 meeting, the Budget Committee designated \$61,127 from FFY 12 funds for continuation of this program. This designation requires a local matching contribution of \$15,282.

These funds will be available upon expiration of the current agreement and execution of a new interagency agreement. Enclosed are materials to assist you in preparation of the program description and budget required to enter into a new interagency agreement. These documents have been revised from last year's continuation material so please read the instructions carefully and contact me with any questions. Note that this will be a new agreement with a new grant number, #212077. Use this grant number on all reports and correspondence concerning this agreement.

To avoid a long lapse in funding, please submit the program description and budget information to my attention no later than **October 1, 2012**. Please E-Mail copies of the Program Narrative, Budget, and Budget Narrative to Sherry.Barnett@illinois.gov.

If you have any questions concerning this designation or the enclosed materials, please feel free to call me at 312-793-0897. I look forward to working with you on this program.

Sincerely,

Sherry J. Barnett
