Copies of subcontracts shall be provided to the Purchasing Agent upon request.

The Contractor must disclose the name and business address of each subcontractor, attorney, lobbyist, accountant, consultant and any other person or entity whom the Contractor has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. All insurance required hereunder shall meet the requirements of the County's Department of Risk Management and shall name the County as an additional insured unless such designation is unavailable due to commercial practices in the insurance industry as to a particular type of coverage. With the exception of certificates required to be submitted with the Proposal, Contract shall deliver to the County satisfactory certificates evidencing compliance with this insurance provision prior to commencing performance under the Contract.

In the event Contractor shall breach any material terms or conditions of this Contract on more than one occasion during any twelve month period during the term hereof, or in the event Contractor expresses an unwillingness or inability to continue performing the Contract in accordance with its terms, the County may, at its option, declare the Contractor to be in default and the County shall be entitled to exercise all available remedies including, but not limited to, termination of the Contract, without affording the Contractor further opportunity to cure such breach. Failure of County to give written notice of breach to the Contractor shall not be deemed to be a waiver of the County's right to assert such breach at a later time, should the Contractor commit a subsequent breach of this Contract.

County shall be in default hereunder if any material breach of the Contract by County occurs which is not cured by the County within ninety (90) days after written notice has been given by Contractor to the County, setting forth the nature of such breach.

Contractor shall have the right to pursue all remedies available in law or equity. In all cases the Contractor's damages shall be those actual provable damages not to exceed the amount of the Contract as awarded by the Cook County Board of Commissioners less all amounts paid to Contractor. In no event shall Contractor be entitled to any consequential damages. Irrespective of the exercise of remedies hereunder, Contractor shall not disrupt the County's operations or repossess any component thereof.

GC-15 DELAYS

The parties may from time to time during the term of the Contract make modifications and amendments to the Contract but only as provided in this section. Such modifications and amendments shall only be made by mutual agreement in writing. Modifications and amendments which individually or cumulatively result in additional cost of \$1,000.00 or greater or which extend the term of the Contract by thirty (30) days or more shall not be deemed as authorized without the approval of the Cook County Board of Commissioners. Modifications and amendments which increase cost by less than \$1,000.00 or which do not extend the term of the Contract by more than thirty (30) days may only be made with the written approval of the Purchasing Agent.

Subject to the foregoing, the Director of the Using Department may, by written order, make changes with respect to the dates of delivery and places of performance of the Contract, provided that any such changes shall not increase the Contract price or the time required for Contract performance.

GC-17 PATENTS, COPYRIGHTS AND LICENSES

Unless otherwise stated in these Contract documents, such licenses shall be perpetual and shall not limit the number of persons who may utilize the software on behalf of the County.

GC-19 MINORITY AND WOMEN BUSINESS ENTERPRISES

COOK COUNTY ORDINANCE DIVISION 6, SECTION 34-275 – 34-285

I. POLICY AND GOALS

A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in County contracts and to eliminate arbitrary barriers for participation, as both prime and subcontractors, in such contracts by local businesses certified as Minority Business Enterprises (MBE) and Women-owned Business Enterprises (WBE). In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority- and Women-owned Business Enterprise Ordinance (the "Ordinance") which establishes a "best efforts" goal of awarding not less than thirty-five (35%) of the annual total dollar amount of professional and consulting service contracts and sole source agreements to certified MBEs and WBEs.

B. A contractor may achieve the contract MBE/WBE participation goals by its status as a MBE or WBE; by entering into a joint venture with one or more MBEs and/or WBEs; by subcontracting a portion of the work to one or more MBEs or WBEs; by entering into a Mentor-Protege Agreement with a MBE or WBE; by the indirect participation of MBEs or WBEs in other aspects of the contractor's business; or by a combination of the foregoing.

C. A contractor's failure to carry out its MBE/WBE commitments in the course of a contractor's performance shall constitute a material breach of the contract, and if such breach is not appropriately cured, may result in the termination of the contract or such other remedy authorized by the Ordinance as the County deems appropriate.

II. REQUIRED SUBMITTALS

To be considered responsive to the requirements of the Ordinance: (a) a contractor for professional and consulting service contracts shall submit items A, B and C listed below; and (b) a contractor for sole source agreements, shall submit items A and B listed below. All documentation submitted by a contractor shall be reviewed by the Contract Compliance Administrator. Failure to submit one of the items required in accordance with these general conditions shall be cause to consider the contractor's proposal non-responsive and be rejected.

A. Affirmative Action Plan

Each contractor shall submit with its proposal, a copy of its current internal affirmative action plan. If contractor has no internal affirmative action plan, contractor shall submit a statement stating why contractor has no such plan. In lieu of an internal affirmative action plan, a contractor may submit a copy of its current Letter of Compliance for the United States Department of Labor, Office of Federal Contract Compliance Programs.

B. Contractor's MBE/WBE Efforts Documentation

Each contractor shall submit with its proposal, supporting documentation which evidences efforts the contractor has taken in attempting to achieve the County's "best efforts" MBE/WBE participation goals.

C. Contractor's Statement - Use of MBE/WBE Professionals

Each contractor shall submit with its proposal, a statement which discloses how the contractor intends to maximize the use of its MBE/WBE professionals in the course of performing the contract.

III. NON-COMPLIANCE

If the County of Cook determines that the contractor has failed to comply with its contractual commitments or any portion of the Ordinance, it will notify the contractor of such non-compliance and may take any and all appropriate actions as set forth within the Ordinance.

IV. REPORTING/RECORD-KEEPING REQUIREMENTS

The contractor shall comply with the reporting and record-keeping requirements as may be established by the Contract Compliance Administrator. Upon award of a contract, contractor is responsible for acquiring all necessary County reporting and record-keeping forms which will be made available in the Office of Contract Compliance.

Neither the Contractor nor any of its employees, agents or subcontractors shall use for business or personal gain, or make other improper use of, confidential information which is acquired in connection with the Contract. To the extent Contractor will have access to the County's protected health information in performing its responsibilities under this Contract, Contractor shall contact the Chief Privacy Officer for the Using Department(s) and shall execute the County's business associate agreement prior to performing any responsibilities which involve access to protected health information.

CONTRACT

ITEM #26

APPROVED

Transmitting a Communication, dated February 10, 2009 from

ANTONIO HYLTON, Chief Information Officer, Bureau of Technology

requesting authorization for the Purchasing Agent to enter into a contract with Merrick & Company, Aurora, Colorado, for aerial imagery for the Counties of Cook, DuPage, Kane, Kendall, Lake, McHenry and Will. The seven county projects for aerial imagery includes ground control, aerial imagery (including aerotriangulation), orthorectified imagery, DEM, geodatabase design, metadata, and project management. This time-sensitive project is performed in the spring under "leaf-off" conditions.

Reason: A regional Request for Proposal (RFP) was jointly developed by the Counties of Cook, DuPage, Kane, Kendall, Lake, McHenry and Will (collectively "the regional GIS work group") to select a company to perform aerial imagery for data acquisition and sharing at county borders. The regional GIS work group has recommended Merrick & Company because of its ability to meet all technical specifications of the RFP. Cook County, the largest, most complex territory in the region, comprising dense urban areas, airports, and shoreline environments, acts as the lead government project manager for this initiative. The entities able to contribute financially to this project are the Counties of Cook, DuPage, Kane, Kendall and Lake, and the Chicago Metropolitan Agency for Planning. Beneficiaries of this project are the Cook County municipalities that provide vital operations: emergency first responders, emergency planners, remediation experts for homeland security, and emergency management and disaster preparedness entities.

Estimated Fiscal Impact: \$1,280,907.74. Contract period: April 1, 2009 through July 31, 2010. (545-260 Account). Requisition No. 95450009.

Sufficient funds are available in the Geographic Information Systems Fund.

Vendor has met the Minority and Women Business Enterprise Ordinance.

RE: Synopsis of the Contract for the 2009 Aerial Imagery Mission

Dear Mr. Hobscheid:

It is a pleasure to provide Cook County (County) with a brief summary outlining the scope of services Merrick & Company (Merrick) will provide in regards to the 2009 Aerial Imagery Mission project. The following services and associated lump sum fees will be performed:

Contract Purpose

The County requires the acquisition of 4-band digital imagery at a pixel resolution of six-inch (6"), and the creation of subsequent ortho imagery deliverables. The intent is for the aerial imagery to be acquired in Spring 2009. The ortho imagery products developed from the aerial imagery will update the County's enterprise Geographical Information System (GIS), and will support various applications within the County's and/or region's GIS. The project area is approximately 4,146 square miles (approximately 4,160 square miles with a 300-foot buffer), and includes all or portions of eight (8) counties in northeast Illinois. These 8 counties include Cook, Lake, McHenry, DuPage, Will, Kane, Kendall, and Grundy. It is anticipated that a total of 18,905 rectangular tiles formatted to 2,500' x 2,500' will be required to encompass the 4,160 square mile project area.

Contract Summary

To meet the purpose and requirements of the contract, Merrick has presented a technical process to perform the following:

- Perform photo-identifiable GPS checkpoint survey
- Acquire and post-process Digital Mapping Camera (DMC) 4-band aerial imagery
- Perform Analytical Triangulation (AT)
- Prepare Digital Elevation Model (DEM) from existing source(s)
- Rectify and mosaic 4-band digital ortho imagery
- Prepare and deliver 4-band and black and white (panchromatic) digital orthophotography
 - Includes true ortho rectification for the "special consideration" area
- Prepare and deliver FGDC compliant metadata

MJ Harden of Mission, KS is supporting Merrick with the DMC image acquisition, post-processing, AT, and true ortho rectification and mosaicking tasks. MJ Harden has the resources and experience to ensure completing all required tasks – especially the critical task of image acquisition.

To accomplish the photo-identifiable GPS survey tasks, Merrick has added **American Surveying & Engineering, P.C. (ASE)** of Chicago, IL to our team. ASE is a certified Minority Business Enterprise (MBE). Merrick and ASE have extensive experience working together on many similar projects over the past ten-years, including previous contracts with the County. Additionally, ASE will employ Mr. Mike Hoather to review and comment on the metadata. Mr. Hoather was the foremost author for the metadata documents Merrick submitted for the 2003 and 2005 contracts / deliverables.

Merrick has solicited **Pinnacle Mapping Technologies, Inc. (PMT)** of Indianapolis, IN to assist with the image edit and QC tasks in regards to the ortho imagery products. PMT is a certified Women Business Enterprise (WBE). Similar to ASE, Merrick and PMT have extensive experience working together on previous contracts with the County.
