Re: Sunset Estates Subdivision

Dear Mr. Tierney,

Pursuant to our telephone conversation on this date we hereby request a variance and modification of our extension of time for our letter of credit until November 6, 2013. This additional time is required to allow the native plantings that we replanted this past year around the retention ponds to begin growing.

A detailed maintenance and progress report has recently been submitted showing the work we have performed during the past year. We are hopeful that next years growing season is better than the drought we suffered through this summer. Your assistance in this matter is appreciated.

Sincerely,

Dennis Bucalo
President
