REGULAR AGENDA

NINETEENTH JUDICIAL COURT

8.1 [25-0436](#)

Joint resolution accepting a Funding Agreement for the Supreme Court of Illinois Court Technology Modernization Program and approving an emergency appropriation in the amount of \$1,267,391.69.

- The Illinois Court Technology Modernization Program will provide new equipment and infrastructure enhancements to the 19th Judicial Circuit Court that will offer additional services benefiting the court, court users and justice partners.
- Additional court technology equipment will include replacing old intercoms to a modern system that enhances security at the door and at scale with sharp video, clear audio, a built-in access reader, and cloud-managed call routing that works seamlessly across one device or across multi-devices.
- Additionally, funds will be used to update/replace old non-Windows 11 compatible desktop computers used in LEADS, Zoom Carts, OOP Kiosks (Windows 11 Compatible devices).
- Funding will also be used to replace all Case Management systems use by Adult Probation & Pretrial Services, Psychological Services and Juvenile Probation & Detention Services to “eSupervision” -Journal Technology Inc., will support the integration of all systems currently use by Justice partners (eCourt, eProsecutor, eDefender). This will also provide a seamless interface in providing data/information required by Administrative Office of Illinois Courts (AOIC).
- The Illinois Court Technology Modernization Program funding period is March 6, 2025 through June 30, 2025.

STATE'S ATTORNEY'S OFFICE**8.2** [25-0406](#)

Joint resolution authorizing an agreement with Magnet Forensics, Atlanta, Georgia, to process electronic evidence and perform data recovery for the Lake County State's Attorney's Office in an annual amount of \$53,507.47, with renewal options.

- Since 2021, the Cyber Lab within the Lake County State's Attorney's Office has been using Magnet Forensics' GrayKey software for unlocking electronic devices to process evidence related to criminal cases.
- This software is the only commercial software available that allows lawful data recovery on new iOS devices and preserves that evidence for processing.
- Pursuant to Chapter 33.066 Bid Exemption of the Lake County Purchasing Ordinance, the Purchasing Agent engaged an ad hoc committee that approved a bid exemption on the basis of the fact that there is only one source for the required service.
- This agreement provides for software maintenance fees for a one-year period, with renewal options.
- The total cost of the software for Fiscal Year 2025 is \$53,507.47 for the current renewal period and will be expensed to Computer Fraud Forfeiture (Cyber) funds.
