Scott,

I spoke with Chris this afternoon. We are fine with using the SOW we currently have, which was signed by Jon Peek. We can amend the document to change the date in the 45-day compliance section. The Price will not change; it will remain the same at \$120,000 for the interfaces.

Please use the SOW document you have, as mentioned above, and we can amend it with new dates.

Let me know if you have any questions.

Thanks,
Matt
