Dear Chief Christian,

It is hard to believe my term is up already. The learning curve associated with having the privilege of serving as a Trustee has been both enlightening and fulfilling. With that said, I would like to again place myself in nomination for a new term appointment as a Grayslake Fire Protection District Trustee.

I have attached a copy of my professional credentials as supporting evidence that my skills and experience could and will be an asset to the District and the customers we serve.

Best Regards,

Dear Chairman Lawlor:

I am writing this letter in support of the reappointment of Mr. Terry Toth to the Grayslake Fire Protection District Board of Trustees. Mr. Toth has been integral in the planning and implementation of District policy and operations and continues to be dedicated to growing this organization properly while maintaining fiscal responsibility. Terry has a strong background in private sector business which assists in ensuring our processes and service delivery is completed as efficient as possible. Mr. Toth continues his extensive involvement in our strategic planning and developing long range goals for the Fire District. As Secretary of the District, he has provided guidance and oversight to ensure we remain fiscally sound. Prior to being appointed as a Trustee, Terry spent several years as a Fire Commissioner with the District. This experience allowed him to gain the knowledge in not only the planning and operation of the Fire District, but understanding human resources that are unique to the fire service in Illinois.

As you know economic challenges affect all taxing bodies including ours and Terry Toth's understanding of the issues, along with his clear vision of necessary operational objectives is extremely beneficial to all of us. Because of his experience, guidance, and leadership that he has demonstrated, I truly believe it is in the best interest of the officers, members, and citizens of the Grayslake Fire Protection District for Mr. Terry Toth to be reappointed as a member of the Grayslake Fire Protection District Board of Trustees. If you have any questions, please feel free to contact me at anytime.

Sincerely,

John R. Christian
Fire Chief
