Joint resolution authorizing amendment one to the Intergovernmental Agreement (IGA) 864-13, between the Federal Bureau of Prisons (BOP) and the Lake County Work Release Center.

- In 2013, the Federal BOP and the Lake County Sheriff's Office entered into an Intergovernmental Agreement (IGA) in order to establish responsibilities for providing secure custody, housing and safekeeping of adjudicated Board of Prison inmates.
- Most recently, the BOP requested amendments to the IGA 864-13; the amendments require that we 1) implement additional policy and operational compliance procedures regarding the use of technology (cell phones); 2) that we provide access to Patient Protection and Affordable Care Act information; 3) allow inmates to enroll in health insurance prior to discharge from the facility.
- The IGA requires that the inmates receive a copy of a policy regarding the use of cell phones and that each inmate is required to sign and acknowledge they have received said policy.
- The IGA requires that the Sheriff's Office track whether or not the inmates have enrolled in health insurance prior to release from the facility.
