Dear Diane Hewitt and County Board members,

RE: Letter of intent

My name is Ken Lynch, I have been a long time Beach Park resident. I have always expressed an interest in our fire protection district and serving my community. I have attended BPFDD meetings to help me get a better understanding. Now that I am retired, I would be available but also honored to give back to my community. I believe my life and work experiences will give me the knowledge to make educated decisions for the BPFDD.

I am truly honored to be considered for the trustee position. Thank you for your time.

Ken Lynch
