TO: THE LAW AND JUDICIAL COMMITTEE  
FROM: RICHARD L. KELLER  
RE: CORONER'S INVESTIGATION REPORT FOR APRIL, 2010

Coroner's Monthly Report of Investigations conducted for the month of April, 2010:

Return to Doctor Cases: <sup>(1)</sup>	260
<u>Coroner's Cases: <sup>(2), (3)</sup></u>	<u>35</u>
Total Death Investigations:	295

Total death investigations for April, 2010: 295

Total death investigations for April, 2009: 274

- (1) Return to Medical Professional Cases:  
Minimal Investigation is needed; primarily consisting of review of medical history, medical records, and discussion with health care providers involved in the case.
- (2) Inquiry Cases:  
More extensive investigation is required to determine whether death is from natural or "unnatural" causes; and excluding causes or manner of death mandating Coroner's Inquest.
- (3) Inquest Cases  
Thorough investigation as to the cause of death, with subsequent presentation for a Coroner's Jury, who must determine the manner of death (i.e., homicide, suicide, accidental, or undetermined). Inquest cases are mandated by Illinois Statute by type of death.

Richard L. Keller, M.D.  
Coroner
