RE: Rescind Request of Signed Contract for 2013 Paving Project

Dear Ms. Trigg:

I do hereby request that our previously signed contract for roadwork in our township during the 2013 Paving Project be rescinded due to lack of funding.

I have contacted Carl Bolander, Curran Contracting, to keep him updated. Curran has agreed to release us from our contract in return for a bond repayment of \$572.00. I have agreed to their terms and will be sending them a payment directly.

I appreciate your consideration in this matter.

I look forward to doing road work with you in the upcoming fiscal year.

Sincerely,

Rodger L. Edmonds
Newport Township Highway Commissioner
