RE: Indian Creek (Buffalo Grove to Port Clinton Road) Community Outreach Meeting

Dear Homeowner,

As the Lake County Board Member representing your district, the Lake County Stormwater Management Commission (SMC) team and I would like to invite you and your neighbors to attend a community meeting to discuss your perspective on the current condition of Indian Creek and explore potential stream enhancement opportunities in your neighborhood, including stream clean-ups and low-head dam removal.

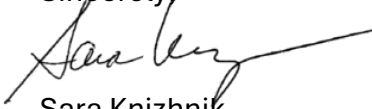

Join us on Thursday, April 10 at 6:30 p.m. at the Vernon Township Community Building, 2900 N Main Street, Buffalo Grove to share your experience living along Indian Creek and ideas for improvements.

We would really appreciate your input and participation. Please feel free to contact me at SKnizhnik@lakecountyil.gov or SMC with questions at Stormwater@lakecountyil.gov. You can also find more information about the County's efforts to address stormwater management issues at lakecountyil.gov/SMC.

I hope to see you at the meeting.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sara Knizhnik', with a long, sweeping horizontal line extending to the right.

Sara Knizhnik

Lake County Board Member for District 18
