Dear Brian:

On behalf of the residents, volunteers, staff and Board of Directors of the Alexian Brothers AIDS Ministry at The Harbor, thank you for partnering with us over the past 10 years. Your dedication to The Harbor has truly made a difference in the lives of our residents.

On August 23<sup>rd</sup> the Alexian Brothers AIDS Ministry at The Harbor will celebrate its 10 year anniversary at our annual Garden Party. In appreciation of your contributions, we would like to invite you to join us as we honor the Lake County Health Department and our other Lake County partners for their commitment and years of outstanding service. Activities will include an award ceremony, tours of The Harbor, music and more for all to enjoy.

We look forward to seeing you at this year's Garden Party. Our Development Department will send you an invitation with details about this event within the next several weeks. If you any questions about the Garden Party or would like to invite any additional guests, please send a list of their names and addresses to our Director of Development, Marjorie Orr, at 773-327-9921 ext. 134.

Thank you again for you support over the years. Without the dedication of our Lake County partners, we would not be able to carry out the life changing work that happens at The Harbor everyday.

Sincerely,

Bart Winters  
Chief Executive Officer  
Alexian Brothers AIDS Ministry
