

STORMWATER MANAGEMENT COMMISSION

MEMORANDUM

TO: Planning, Building and Zoning Committee

FROM: Michael Warner, Executive Director, Stormwater Management Commission
Kurt Woolford, Chief Engineer, Stormwater Management Commission

DATE: May 23, 2013

SUBJECT: Watershed Development Ordinance (WDO) Amendments

Action Requested: Approval

On May 2, 2013, the Stormwater Management Commission approved the four proposed amendments. The amendments pertain to the new FEMA floodplain maps that become effective September 18, 2013. We recommend approval of all amendments as they are required to remain in good standing and for participation in the National Flood Insurance Program (NFIP).

Amendment	Ordinance Topic	Description
#1	FEMA/NFIP	Modification of text to reference new vertical datum of revised FEMA floodplain maps.
#2	FEMA/NFIP	Addition of definition for new vertical datum.
#3	FEMA/NFIP	Revision to Appendix C's list of all FEMA floodplain map panels within county.
#4	FEMA/NFIP	Modification of text to reference new vertical datum of revised FEMA floodplain maps.
