Joint Resolution authorizing an emergency appropriation in the amount of \$52,500 for the Lake County All Natural Hazards Mitigation Plan Update.

- The Stormwater Management Commission (SMC) was awarded \$52,500 in Illinois Emergency Management (IEMA) grant funds to update the multi-jurisdictional Lake County All Natural Hazards Mitigation Plan (ANHMP).
- This project effort will be led by SMC and the Lake County Emergency Management Agency with input from Lake County communities, as well as public and private stakeholder organizations.
- The grant funds require no financial match and will be used to reimburse costs incurred for consultant assistance.

**Unified Development Ordinance**

**Subdivisions**

**Zoning**

**Permits and Enforcement**

Report concerning proposed landscape waste burning restrictions.

- On January 25, 2011, the Planning, Building and Zoning (PBZ) and Health and Community Service (HCS) Committees directed staff to develop proposed landscape waste burning restrictions that could be utilized to address open burning concerns in the vicinity of Stevenson High School.
- Staff presented a proposal for landscape waste burning restrictions at the April 5, PBZ and HCS Committees and was directed to solicit public input on the proposed regulations.
- Residents were notified of the proposed regulations and were afforded the opportunity

- to attend a public informational meeting on May 9, and submit comments until May 20.
- Staff will provide a summary of the comments received, all of which are attached, and recommended modifications to the landscape waste burning restrictions.
