WHEREAS

A. Pursuant to the provisions of Section 7 of Article VII of the Constitution of the State of Illinois (the "*Constitution*"), The County of Lake, Illinois (the "*County*"), is authorized to create special service areas in and for the County.

B. Special service areas are established by non-home rule units, including the County, pursuant to Section 7(6) of Article VII of the Constitution, which provides:

Counties and municipalities which are not home rule units shall have only the powers granted to them by law and the powers ... to levy or impose additional taxes upon areas within their boundaries in the manner provided by law for the provision of special services to those areas and for the payment of debt incurred in order to provide those special services.

and are established as required "in the manner provided by law" pursuant to the provisions of the Special Service Area Tax Law, as amended (the "*SSA Law*"), and pursuant to the provisions of the Property Tax Code, as amended.

E. The creation of a special service area other than the Area has not been proposed in the territory hereinafter described during the two (2) years preceding the date of adoption of this Ordinance.

F. G. The Area will benefit specially from the Services, all of the Services to be beneficial to the Area and all of the Services to be located on property now owned or to be acquired, or property in which an interest sufficient for the provision of the Services will be obtained, by the County or another unit of local government acting pursuant to an intergovernmental agreement in accordance with Section 10 of Article VII of the Constitution and the Intergovernmental Cooperation Act, as amended, and the Services are unique and in addition to municipal services provided to the County as a whole and it is, therefore, in the best interests of the County that the Area be established.

H. It is hereby estimated that the cost of providing the Services will not be more than \$46,000,000.

I. It is in the public interest that bonds in an amount not to exceed \$46,000,000 be issued for the purpose of paying the cost of providing the Services (the “*Bonds*”).

J. The Bonds shall be retired over a period not to exceed 30 years from the issuance thereof and shall bear interest at an interest rate or rates not exceeding the greater of 7% per

K. The Bonds shall be retired by the levy of a direct annual tax on all property subject to taxation for the Services located within the Area sufficient to pay the interest on the Bonds as the same comes due and to discharge the principal thereof at maturity (the “*Bond Taxes*”).

L. The Bond Taxes shall be levied upon all taxable property within the Area for the entire period that the Bonds (or bonds to refund Bonds) shall be outstanding and shall be unlimited as to rate or amount and in addition to all other taxes permitted by law.
