7.4 [12-1231](#)

Director's Report - Public Works.

Public Works Director Peter Kolb reported the Illinois Environmental Protection Agency (IEPA) has provided its draft pollution permit which limits the amount of phosphorous discharged into public water ways. The permit also requires a feasibility study to be provided within a 12 month period of a possible future reduction of phosphorous levels from .5 milligram per liter to .1 milligram per liter. Member Maine suggested the County reach out to other municipalities to determine the level of interest of a joint effort for the study. Mr. Kolb indicated that the County will need to do additional monitoring. The IEPA will also be requiring a Capital Maintenance and Operation Management (CMOM) plan.

Mr. Kolb noted the County will be flushing its water mains in April.

Director's Report - Transportation.

Division of Transportation Director Paula Trigg reported the County's efforts to acquire a Unified Work Plan grant for the study of an appropriate location for an Amtrak stop in Lake County was unsuccessful. The county is participating with CMAP and other agencies on a study of overweight and oversized truck permitting of which the County's share is \$5,000. The County is considering whether it could issue permits on behalf of townships as part of a shared services initiative. The Village of Mundelein will be widening and reconstructing the roadways at Route 60, Route 83, and Route 176, an April 2015 letting is targeted.

Ms. Trigg noted construction season has begun and the Division of Transportation's website, www.lakedot.info, will be updated with the status of various projects. Ms. Trigg noted her department will bring forth a presentation on paratransit next week to discuss and obtain input on the future of the County's participation in paratransit and she noted that the department has been using Marsh Milkweed, along with numerous other native plant materials, in the recent detention basin retrofit projects in response to a previous inquiry.

Ms. Trigg reported on Chairman Lawlor's participating on a Dirty Jobs segment with the Division of Transportation. She reported the Division of Transportation's 5 year Plan will be presented in April and in June. County Administrator Barry Burton reported the timing of the presentation is important because it will help the Committee to consider its options and prioritize projects before the budget is considered.

Lake County Board Chairman Aaron Lawlor reported the Route 53 Finance Committee approved funding for the project by a vote of 21 to 2. He will be meeting with communities that did not attend the meeting.
