

To the Lake County Board,

My name is Ellen Rumoro, and I've been a resident of Lake County for 30 years. I have two children, a daughter who is an Elementary School Teacher in Lake Zurich, and a son who attended CLC. I work in Lake County as a Bank Manager for Associated Bank. I have been in the Banking Industry for 20 years, and have a very strong history of providing support to our local residence and our communities.

Within the last 5 years my parents have been challenged economically, as has most of our country. One of the main concerns we faced as a family was their housing. They lost their home, and were unable to secure affordable housing within their community. Going through this experience with my elderly parents, along with many Lake County residences over the years, I've developed a strong desire to get involved with the LCHA.

I would like to offer my passion and my knowledge to help the Housing Authority to continue to provide a stable and respectable home for our residence.

Thank you for your consideration,

Ellen Rumoro
