Court Administration

7.3 [10-0042](#)

Joint resolution authorizing execution of a two-year contract plus renewals with McDermott Center d/b/a Haymarket Center, Chicago, IL in the estimated amount of \$300,000/year for Adult Residential Co-Occurring Disorder Treatment for the Adult Probation Services Division of the Administrative Office of the Nineteenth Judicial Circuit Court.

- Lake County desires to enter into a two-year contract for Adult Residential Co-Occurring Disorder Treatment for the Adult Probation Services Division of the Administrative Office of the Nineteenth Judicial Circuit.
- Lake County extended requests to eight (8) vendors and received one (1) proposal.
- In accordance with the Evaluation Criteria as established in the Request for Proposal, the Adult Probation Services Division reviewed and determined that the proposal submitted by Haymarket Center is acceptable.
- This contract will be paid from the Probation Services Fee Fund, account #250-3210010-72040-000-00-000-00000. Total contract costs will not exceed the annual budget amount for this service of \$300,000/year.

Emergency Telephone System Board

7.4 [10-0041](#)

Joint Resolution authorizing execution of an agreement with EnRoute Emergency Systems, Tampa, FL, to upgrade the existing Computer Aided Dispatch (CAD) system used by the Emergency Telephone System Board (ETSB) to add Law Mobile and Mobile Mapping modules in the total amount not to exceed \$268,708.

- EnRoute Emergency Systems, Tampa, Florida has provided the Computer Aided Dispatch System software (CAD) for the Emergency Telephone System Board since 1994.
- There is a need to upgrade the existing CAD to add Law Mobile and Mobile Mapping modules to facilitate interoperability between police, fire and EMS operations.
- The Emergency Telephone Systems Board approved this purchase at their regular meeting on December 1, 2009.
- Pursuant to Article 6, Section 102 of the Lake County Purchasing Ordinance, the Purchasing Agent consulted with an ad hoc review group and determined that this upgrade is exempt from bidding.
- This purchase will cost \$268,708 and the total cost charged to account # 910-9000010-84070-000-000-000000.

State's Attorney

7.8 [10-0019](#)

Joint resolution approving an emergency appropriation from the State's Attorney's Asset Forfeiture Fund for contribution toward a required equipment grant match for a Crime Scene Scanner.

- The Lake County State's Attorney's Office partnered with Mundelein Police Department and the Lake County Major Crimes Task Force to apply for a grant to purchase a cutting edge technology, a digital 360 degree Crime Scene Scanner.
- The Crime Scene Scanner will assist in the investigation and prosecution of major crimes by providing permanent, accurate, detailed, virtual-reality images and simulations of crime scenes.
- Due to the requirements of the grant solicitation, Mundelein Police Department was the applicant agency, and was awarded a grant through the Illinois Criminal Justice Information Authority.
- The \$66,000 grant #405703 is comprised of 75% federal funds (through the US Department of Justice's JAG Grant program) and 25% required matching funds.
- The Lake County Major Crimes Task Force (LCMCTF) is the program agency which will use the Crime Scene Scanner in investigations.
- The Lake County State's Attorney's Office will use the images produced by the Scanner in furtherance of prosecuting violent criminals.
- The LCMCTF is contributing \$9,500 toward the 25% required match and \$7,000 is to be contributed from the State's Attorney Asset Forfeiture toward the 25% required match to support this grant.
- This grant match was not budgeted in the Asset Forfeiture Fund's County Fiscal Year 2010 budget, therefore a resolution is requested to support this \$7,000 contribution.

7.9 [10-0020](#)

Joint resolution approving an emergency appropriation from the State's Attorney's Asset Forfeiture Fund for new audio/video recording equipment at the Children's Advocacy Center.

- The Lake County Children's Advocacy Center (CAC) investigates allegations of child physical and sexual abuse, and advocates for child victims of such abuse in coordination with local police departments, Illinois Department of Child and Family Services and other state and federal agencies.
- The CAC follows best practices including the recording of all audio/video interviews of children.
- The CAC has four interview rooms at its facility, all outfitted with audio and video recording equipment.
- The recording of child victims' interviews has several benefits, including: reducing the need for multiple interviews (all multi-disciplinary team members can review the video rather than re-interview the child); capturing all forms of communication (verbal and non-verbal); capturing images of the child at age of disclosure; and refuting or supporting defense claims of "leading questions."
- It is necessary to replace the existing, antiquated equipment now due to critical system failures and system inefficiencies.
- One interview room is not being utilized because the equipment has failed and interviews can not be recorded and the equipment in the remaining three interview rooms is failing

and is not reliable.

- With the current system, recordings have been compromised and are irretrievable.
- A new system will include four Digital Video Recorders (DVRs) each with 500 Gigabytes (GB) of memory, a mouse and a keyboard.
- The State's Attorney's Office's Asset Forfeiture Fund has sufficient funds to pay for the new system, which costs approximately \$9,000.
- The purchase of this new equipment was not budgeted in the State's Attorney's Asset Forfeiture Fund FY2010 budget, therefore a resolution is requested to approve the purchase.
