**RE: Facility Planning Area Boundary Amendment Request  
North Shore Sanitary District FPA  
Proposed Grade School, Gurnee School District 56**

Dear CMAP:

The County of Lake through its Public Works Department has received and reviewed the request to amend the North Shore Sanitary District's and the County of Lake's Northeast Lake Facility Planning Area (FPA) boundaries to allow the proposed grade school by Gurnee School District 56 to be served by the Village of Beach Park's existing sanitary sewer system with wastewater treatment provided by the North Shore Sanitary District. The County has no wastewater facilities in the area that could serve this parcel and adequate capacity for the proposed development is available via the Village of Beach Park's sewer system

The County of Lake has no objection to the proposed FPA boundary change. If there is additional information requested regarding this matter please contact me at (847) 377-7500.

Sincerely,

LAKE COUNTY PUBLIC WORKS DEPARTMENT

Peter E. Kolb, P.E.  
Director
