

FY26 WMB Approved Projects

STORMWATER MANAGEMENT COMMISSION

This map is provided for general locational information only. Map features have been derived from various sources, each of which has its own scale and accuracy. The locations of all features are approximate.

Staff presented all projects and WMB recommendations at the December 10, 2025 Watershed Management Board meeting.

*The project ID numbers in this figure are intended solely for spatial representation only and do not reflect project prioritization or ranking.

Lake County Stormwater Management Commission
