Not Present: 1 - Member Carter

Member Carter noted that she was not present when this item was voted on and she had

questions on the bonding item - she thought that the interest would be used to pay down the bonds quicker. County Administrator Barry Burton stated he would check with Director of Transportation Marty Buehler and Finance Director Gary Gordon. Member Carter stated that this isn't what we talked about in committee. Member Carter also wanted to know what is the total interest amount.

7.10 [10-0811](#)

Presentation of Performance Measures: Division of Transportation

Al Giertych presented the Division of Transportation performance measures. Mr. Giertych noted that this was started in 2006. Mr. Giertych presented a three year overview FY2007 to FY2009. Mr. Giertych took questions from the committee. Discussion followed. County Administrator Barry Burton noted that ICMA (International City and County Managers Association) has a performance measurement consortium made up of 3,000 different units of local government. Best use for all of this performance measurement data is not for us sitting in here, we are going to take key data and look at executive level measures and make decision on where we will put money and things like that; but it is for the 10,000 decisions that are made day to day by our line managers and if they have data that they can manage by, they will make better decisions. Departments are doing a great job on this.

7.11 [10-0814](#)
