To: Chairman Aaron Lawlor
Lake County Board

From: Marvin J. Raymond

Ref: Reappointment to the ZBA

My term of office on the ZBA is coming to a conclusion this April.

I would ask that you would considered me for re-appointment to the ZBA for additional 4 years.

I have served for 12 years on this committee and have enjoyed doing this very much. Being a retired person I have the time to spend in giving this position the time that it deserves. The 12 years that I have served has given to me the insight into of this committee and I would be able to draw from this past experience.
