9. County Administrator's Report

9.1 [16-1081](#)

Resolution approving the 2017 Lake County State and Federal Legislative Program.

- Annually, the County develops a list of priority projects that are submitted to State and Federal legislators who represent Lake County.
- The County's 2017 Legislative Program seeks to:
 - add Lake County to previously approved legislation permitting a judicial facilities fee not to exceed \$30 for the construction of judicial facilities;
 - implement a rule change to the administrative code to the Inmate Welfare Fund to allow the use of inmate welfare funds for basic medical care;
 - eliminate personal service and publication requirements for final take notices on vacant property;
 - amend the Election Code by removing the requirement for voters to sign the back of their vote-by-mail envelope;
 - continue support of the Illinois General Assembly's efforts to address the use of opiates;
 - amend the Illinois Underground Utility Facilities Damage Prevention Act to specifically exclude underground storm sewers located within County rights-of-way;
 - support the extension of the Illinois Affordable Housing Tax Credit.
- The County's 2017 Legislative Program also includes a federal component supporting efforts to clarify HIPAA so treatment providers may disclose concerns about patient safety to appropriate parties when they believe "in good faith" that there is a threat of "serious or imminent" danger to the patient or others.
