39.1. In addition to the requirements of Part I, Article XIX Grantee shall submit to Grantor for review, certain publications that will be issued by Grantee describing or resulting from programs or projects funded in whole or in part with grant funds, no later than 30 days prior to its printing.

39.2 The publications subject to this review are: journals and annual reports that describe how grantee has used the funding, any paid advertisement or public awareness campaign regardless of format, and any other publication that cumulatively costs more than \$1000 to create or produce. Grantee shall establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others.

44. Safeguarding Constitutional Protections Related to Religion

44.1 Grantee certifies that grant and match funded services must be offered without regard to religious affiliation. Grant or match funds may not be used for any explicitly religious activities such as worship, religious instruction, or proselytization. Grantee may engage in inherently religious activities, but such activities must be separate in time or place from the grant funded program, and beneficiaries cannot be compelled to participate in them.

44.2 Faith-based organizations may consider religion when hiring staff if consistent with the Religious Freedom Restoration Act and other applicable laws. If the grant is funded with federal funds, Grantee must receive prior approval from the Department of Justice, Office for Civil Rights.

45. Restrictions and Certifications Regarding Non-Disclosure Agreements and Related Matters. Grantee and any entity that receives a contract or subcontract with any funds under this award, may not require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

ii. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to Grantor, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by Grantor.

b. If Grantee makes subawards or contracts under this award –

i. it represents that –

1. it has determined that no other entity that Grantee's application proposes may or will receive award funds (whether through a subaward, contract, or subcontract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and

2. it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

ii. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

documentation of their completion and results. The written protocol must incorporate the factors and procedures mandated by 775 ILCS 5/2-103.1. Any exception must be granted in writing by Grantor. Exceptions may include but are not guaranteed or limited to if the program model or service provision relies on staff access or credibility with at-risk populations.

47. Project Monitoring and Evaluation.

47.1. Project Monitoring: Grantee understands that Grantor may impose additional reporting requirements during the grant period by providing notice in writing to Grantee. Grantee agrees to report any additional information required by Grantor.

47.2. Grantor Evaluation: As required by Grantor, Grantee agrees to cooperate with Grantor's evaluation of the grant project, conducted either by Grantor or external parties.

47.3. Grantee Evaluation: Project evaluation is limited to evaluation of Grantee's project, as described in this Agreement, to determine the project's effectiveness. Grantee understands and agrees that grant and match funds cannot be used for research purposes, as defined under 45 CFR 46.102(d). Grantee will provide Grantor with aggregate project data and summary reports related to project performance, including process and outcome, and any other information, as requested by Grantor.

48. Confidentiality of Records. Grantee agrees not to use or reveal any research or statistical information furnished under this program by any person and identifiable to any specific private person for any purpose other than the purpose for which such information was obtained in accordance with this program and all applicable federal guidelines and legislation without written consent from Grantor. Grantee shall notify Grantor within three (3) business days of any such request.

49. Tax Liabilities; State Agency Delinquencies. Grantee is required to file of any and all applicable tax returns. In the event that a Grantee is delinquent in filing and/or paying any federal, state and/or local taxes, the Grantor shall disburse Grant Funds only if the Grantee enters into an installment payment agreement with said tax authority and remains in good standing therewith. Grantee is required to tender a copy of any such installment payment agreement to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. The execution of this Agreement by the Grantee is its certification that (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.

50. Compliance. Grantee agrees to comply with all applicable laws, regulations, and guidelines of the State of Illinois, the Federal Government and Grantor in the performance of this Agreement.

Program-Specific Term(s)

PART THREE –PROJECT-SPECIFIC TERMS

In addition to the uniform requirements in PART ONE and Grantor-Specific Terms in PART TWO, Grantor has the following additional requirements for this Project:

51. Pre-Award Costs. Pre-award costs are authorized in accordance with 2 CFR 200.209. Pre-award costs are those incurred from the beginning of the period of performance of the grant until the execution of this grant agreement and must be in accordance with the final approved program budget. ICJIA has the right to review supporting documentation for all pre-award costs that are submitted for reimbursement on a financial report from grantees. Costs that are not in accordance with the final approved budget (necessary, reasonable, allowable, and allocable) shall be disallowed.

52. Supplanting. Grantee certifies that ARI funds made available under this Agreement will not be used supplant/replace State, local, or other funds that would otherwise be made available to Grantee for purposes related to this program. Grantee certifies that ARI funds made available under this Agreement will be used to supplement/increase existing funds for such purposes.

53. Penalty for Failure to Divert. Under the Adult Redeploy Illinois enabling statute, any Grantee not meeting its required reduction (diversion) goal, as calculated by the local jurisdiction, shall be assessed a penalty. The Adult Redeploy Illinois Oversight Board (ARIOB) has set the maximum penalty at one half the marginal cost of incarceration. The amount of the penalty assessed will be left to the discretion of the ARIOB; the Board shall take into consideration factors affecting the Grantee's

Illinois Grant Accountability and Transparency Notice of State Award

ability to meet the required reduction goal, including whether the failure to meet the reduction goal was beyond the control of the jurisdiction or other extenuating or mitigating circumstances.

54. Expenditure Evaluation. The Grantor shall evaluate the amount of unexpended funds remaining and the maximum amount of funds needed to continue the grant. Based on this evaluation, the Grantor, at its sole discretion, may reduce the grant award by an amount it deems appropriate.

55. Corrective Action Plan.

55.1 At the end of each quarter, the Grantee and the Grantor will (1) do a review of the number of individuals diverted from the Illinois Department of Corrections (using the Grantee's and IDOC's data) and (2) assess whether the number conforms with the Grantee's approved plan in order to achieve the annual 25% reduction included in the plan.

55.2 If either the Grantee or the Grantor believes that it will not, they shall bring the issue to the next meeting of the ARIOB (or within the first month of the next quarter, whichever is sooner) with a plan for remediation, designed to avert a penalty charge to the Grantee. The Grantee may choose to send its representatives to the ARIOB meeting to explain the plan, and the ARIOB shall act on the plan immediately upon its receipt.

55.3 Should the ARIOB not accept the plan, the Grantee will have the opportunity to modify the plan or withdraw from the program by the next ARIOB meeting (or the second month of the quarter, whichever is sooner). Should the Grantee accept the corrective action plan, the plan shall include a schedule for reporting on the progress of the plan, with regular reports at least once a quarter to the ARIOB, until such time as the ARIOB agrees that the corrective action plan has been successfully implemented.

55.4 A similar corrective action plan process will be followed as it relates to Grantee's failure (or risk thereof) to meet other contractual performance measures stated in the Illinois Crime Reduction Act (730 ILCS 190/et. seq), namely the use of assessment tools and evidence-based practices, appropriate target/service population, and provision of required data.

56. Participant Risk Assessment Levels.

56.1 At the end of each quarter, the Grantee and the Grantor will do a review of the risk assessment scores of all participants currently in the program. If the following threshold is not met, the Grantor may initiate (1) training or technical assistance and/or (2) a corrective action plan.

56.2 Threshold: Threshold means the aggregate minimum risk assessment scores, based on the local county standards, for participant risk levels to meet the percentage and timeframe. For Adult Redeploy Illinois, at least 80% of incoming participants shall have moderate to high-risk assessment scores. The threshold seeks to ensure that Adult Redeploy Illinois programs are serving a moderate to high-risk prison bound population.

57. Problem Solving Courts (PSC) Certification. If the Grantee is determined to be an existing PSC, proposed

PSC, or specially designated PSC calendar, the Grantee must be evaluated, or in the process of being evaluated, by the Administrative Office of the Illinois Courts (AOIC) and must be certified, or in the process of being certified, as compliant with the Problem-solving Court Standards (Standards) through the certification process and timeline required by the Illinois Supreme Court. All PSC shall comply with all AOIC requirements for certification and recertification. If a PSC is unable to comply with these Standards, the PSC must request time to develop a plan of improvement to allow it to continue operations and that plan must be submitted to AOIC for recommendations. Grantee may continue operations pending receipt of the recommendations from AOIC. Grantee must submit a copy of the recommendations to Grantor. Grantees that are unable to substantially comply with the Standards or AOIC recommendations may risk termination of grant funds. Grantees that are unwilling to substantially comply with the Standards or AOIC recommendations will not receive grant funds for the period in which they are not in compliance.

58. ICJIA Quarterly Data Submission. Grantee certifies that it will submit quarterly data electronically as outlined in the ICJIA data submission documents.

59. Mandatory Data Elements. Grantee agrees to participate in performance measurement and evaluation activities in conjunction with the Grantor and as developed by the ARIOB according to statute. Specifically, the Crime Reduction Act requires a "performance measurement system that includes but is not limited to the following key performance indicators: recidivism, rate of revocations, employment rates, education achievement, successful completion of substance abuse treatment programs, and payment of victim restitution."
