My name is Paul Eiserman. I was born in Libertyville, Illinois. I attended Libertyville schools and graduated from Libertyville High School. I then attended apprenticeship school through International Brotherhood of Electrical Workers Union Local 150 for four years. I worked as an Electrician for 40 years in the Lake and McHenry County area retiring in 2016.

In retirement I have been working part time for the Mundelein Park District, so far seven years. I started working in pool maintenance and then became Facility Maintenance Technician. In the past I have belonged to the Libertyville Jaycees, was paid-on-call Libertyville Fireman for five years, belonged to Lake County Farm Heritage and served on the board as well as Vice President. I currently, and for many years belonged to Northern Illinois Steam Power Club.

I am married with our 40 year anniversary coming up this year. I have a daughter and a son. My family has been in the Libertyville area for many years my maternal grandfather moving here when Milwaukee Ave. was still dirt/gravel road. Many relatives from mother's and father's sides are buried in Lakeside Cemetery along with my parents and sister.
