8.5 **26-0042**

Joint resolution authorizing two new Principal Public Defenders to staff a newly consolidated Domestic Violence courtroom, at an estimated cost of approximately \$135,000 for the remainder of Fiscal Year 2026.

- The Courts have indicated they will be consolidating all felony Domestic Violence cases into a singular Courtroom in May of 2026. This consolidation is intended to develop specialized expertise in these cases and enhance coordination.
- It is not possible for the Public Defender's Office to adequately staff this new courtroom without additional staffing. Therefore, the Public Defender's Office is requesting two additional Principal Public Defenders, Grade Salary 16, to focus their efforts on the cases within the new Domestic Violence courtroom.
- Existing space, computers and phone equipment are already available to accommodate the new positions.
- Due to the timing of this courtroom consolidation, these positions were not included in the Fiscal Year 2026 budget. At this time, no additional funding is necessary because the Public Defender has agreed to stagger the two positions according to caseload capacity. However, depending on the other vacancies in the department, it may be necessary to augment the Public Defender budget

with the budgeted salary contingency closer to the end of the fiscal year.
