TERMS AND CONDITIONS

The Agreement incorporates by reference the following, in order of precedence:

This Order Form

The Master Software Subscription and Services Agreement

<https://catalisgov.com/master-software-subscription-and-services-agreement/>

The Service Level Agreement and Support Terms

<https://catalisgov.com/saas-service-level-agreement-and-support-terms/>

<https://catalisgov.com/on-premise-service-level-agreement-and-support-terms/>

Schedule A: Software Description and Scope of Use

General Notes:

1. Capitalized terms used herein but not defined in this Order Form have the meanings given to them in the Master Software Subscription and Services Agreement.
2. The Parties agree to keep all aspects of this agreement confidential to the extent permitted by law.
3. Following adoption of this Order Form, changes shall be memorialized with a written Amendment, without regard to whether the change affects costs, and shall be approved in writing by Catalis and the Customer. If the Amendment impacts cost to one or more Parties, an estimate of the cost impact shall be included in the written Amendment.
4. Any Recurring Fees will increase annually by the greater of five percent (5%) or the increase in the CPI for the prior calendar year (as reflected in the pricing table(s) above).
5. Invoices shall be due and payable within thirty (30) days following invoice by Catalis.

ACCEPTANCE

By signing below, signatories represent that they are validly authorized to enter into this Order Form and accept their terms and conditions. The Order Form is dated effective and shall be considered binding upon execution ("Effective Date") by and between both parties.

SCHEDULE A: SOFTWARE DESCRIPTION AND SCOPE OF USE

This Exhibit provides a description of the Software Services being offered; however, it is understood that detailed Functional Specifications will also be available in separate Documentation provided for guidance on product functionality and usage.

Software below is currently in use by Customer. This Order Form is as a renewal of Services.

AIMS-Specialty Court

AIMS blends today's latest technologies with Specialty Court best practices and standards to provide a comprehensive case and data management system for Drug Courts, DUI Courts, Veterans Courts, Mental Health Courts, Family Courts and Tribal Healing to Wellness Courts. A SaaS solution, AIMS automates all aspects of Specialty Court operations from referral, screening, intake, case file management, graduated responses, treatment, drug/alcohol testing, Phase progression, document creating and management, report generation, and data analysis. AIMS is hosted on Microsoft Azure Government

AIMS-Pretrial

AIMS-Pretrial is a SaaS case and data management system designed specifically for Pretrial Services agencies to efficiently and effectively manage all phases of Pretrial. With a focus on providing tools to effectively measure and manage risk, AIMS-Pretrial leverages today's most modern technologies and a high level of configuration to reflect industry best practices married closely with local policies and procedures.

Ce Check-in

Ce Check-in delivers Community-based Corrections agencies with a simple, affordable solution that provides flexible Client reporting, allowing staff to focus on Clients with more involved supervision requirements. Available as both a Web and Kiosk reporting solution, Ce Check-in provides an ideal reporting tool for low risk clients or as an enhanced, supplemental supervision tool for higher risk clients. Ce Check-in provides flexibility to manage reporting frequencies by a variety of factors while alerting Officers when clients are out of compliance or when events occur that require their attention (i.e., FTRs, change of address, employment, etc.).

Agencies define the exact questions clients are required to answer during each scheduled check-in while Officers have the ability to view client reporting history, check-in session details, GPS location, IP address and map of where the check-in was completed. Ce Check-in provides clients email, SMS Text or automated phone reminders, as well as SMS Chat functionality allowing Officers to exchange text messages with clients through Ce Check-in.

Caseload Explorer

Caseload Explorer is a comprehensive Probation Case Management System in use today in nearly 80 agencies throughout the country for both Juvenile and Adult probation. Installed either on-premises or hosted on Microsoft Azure Government, Caseload Explorer provides case and financial management in a secure environment for protecting, organizing, sharing, reporting, and managing client information. Caseload Explorer and the Ce Connect suite of modules are tightly integrated to provide officers full access and visibility across the solutions.

Caseload Explorer On-premises Technical Support Services shall mean the providing Licensor's technical expertise to assist the Customer in the on-going use of the licensed software, repair of software errors and provide software updates to enhance and improve Caseload Explorer and any local interfaces supported by Licensor. These Technical Support Services shall be provided consistent with the Service Level Agreement.
