Lake County Partners

7.3 [10-0888](#)

Report on the proposed project in Highland Park for use of \$14 million of volume cap of the Recovery Zone Facility Bond allocation.

Steve Anderson, Director of Lake County Partners, explained this proposed project in Highland Park. Dusty Powell reminded the committee that last August, the County Board passed a resolution designating Lake County Partners as our agent for facilitating distribution of these Recovery Zone Facility Bond allocations. He explained that this project isn't ready yet, but it will come back to committee for approval at the next meeting. If these bond allocations are not used by December 31, 2010, they revert back to the

federal government.

7.4 [10-0887](#)

Joint resolution authorizing the transfer of up to \$45,581,000 of volume cap of the Recovery Zone Facility Bond Allocation to the Illinois Finance Authority for use for the Navistar retention project.

Attachments: [10-0887_20101014114604](#)

Steve Anderson explained this resolution. Mr. Powell explained that this resolution needs to be amended, stating that Lake County Partners recently finalized discussion with the Illinois Finance Authority (IFA), and they have asked that we transfer the full amount of \$45,581,000 of Recovery Zone Facility bond allocation back to the State so that it can be used for the Navistar project.

A motion was made by Member Maine, seconded by Member Cunningham, that this resolution be amended as presented. The motion carried by the following vote:

Aye: 6 - Chair Carlson, Vice Chair Cunningham, Member Maine, Member Bush, Member Feldman and Member Pedersen

Not Present: 1 - Member Calabresa

Winchester House

7.5 [10-0889](#)

Presentation of various resident centered care strategies that are being implemented at Winchester House.

Anne Wagner presented an update on the process of culture change at Winchester House. Winchester House started as an institutional setting, and over the past two years they have transitioned to just between transformational and neighborhood. The goal of this transition is to work towards becoming a household model facility while preparing for moving into a new facility.

Ms. Wagner explained the various stages involved in this change and discussed resident directed decision making, staffing roles, physical environment, organizational redesign and leadership practices. They are working towards instilling more crosstraining among employees and incorporating the residents into some of the decision making regarding their personal care and activities.

8. **Executive Session**

9. **County Administrator's Report**

Dusty Powell reported that Joel Williams, Community Development, sent an e-mail to Board Members last week informing them that we've achieved 100% obligation in the Neighborhood Stabilization program.

Vice-Chair Mary Ross Cunningham was recently re-appointed to the NACo Economic Development Steering Committee.

9.1 **Discussion of potential FY 2011 State Legislative Initiatives.**

Laura Schneider presented the Lake County Health Department's draft FY 2011 Legislative and Policy Agenda, which includes the following:

Carried over from 2010:

- State Budgets - protect existing public health funding streams*
- Illinois Retail Merchants Association may again attempt to reduce the hours of food safety education required for food service managers from 15 to 7 hours and amend the time period under which reciprocity for out of state certifications are recognized.*

Expected Obesity Legislation:

- Consortium to Lower Obesity in Chicago Children (CLOCC) - CLOCC is a nationally recognized consortium that brings together hundreds of organizations and individuals to confront childhood obesity in Chicago. CLOCC fosters and facilitates connections between researchers; public health advocates and practitioners; corporations; policymakers; and children, families, and communities. They plan to unveil their policy agenda on September 15, 2010.*
- Illinois Alliance to Prevent Obesity (IAOP) - The Illinois Public Health Institute has joined with a number of other groups to launch the Illinois Alliance to Prevent Obesity. The Alliance mobilized more than 300 people from groups and communities across the state to attend and testify at obesity hearings held in February and March 2010 by the Illinois Department of Public Health. We need to show that a broad spectrum of citizens and groups support finding such solutions in Illinois. They are currently coordinating regional forums across the state to develop initiatives to prevent obesity and seeking legislative leaders to champion. On November 17, 2010, a regional forum for northern Illinois is planned, and a statewide forum is planned for December 3, 2010.*

Possible Legislation:

- Paramedic Standing Orders - to modify paramedic standing orders to assist local health departments in distribution of vaccinations and mass prophylaxis.*
- Nurses Standing Order - ambiguity on this issue to clarify nurse standing orders for delivery of routine vaccines, emergency delivery of vaccine and mass prophylaxis.*

10. Adjournment

A motion was made by Member Bush, seconded by Member Cunningham, that the meeting adjourn at 2:10 p.m. The motion carried by the following vote:

Aye: 6 - Chair Carlson, Vice Chair Cunningham, Member Maine, Member Bush, Member Feldman and Member Pedersen

Not Present: 1 - Member Calabresa
