Ordinance amending Chapter 177: Lake County Tobacco Ordinance, of the Lake County Code.

- Chapter 177 of the Lake County Code of Ordinances authorizes the Lake County Sheriff's Office as the enforcement agency for the provisions of the chapter, which include conducting inspections and, where warranted, issuing citations.
- The proposed amendments are part of an overall package of ordinance amendments and proposed ordinances by the Lake County Sheriff's Office.
- The amendments would allow officers to enforce the ordinance using the Lake County administrative adjudication (AA) process (the chapter currently restricts enforcement actions to the circuit court), a proven efficient and effective means of seeking compliance for violations.

STATE'S ATTORNEY**7.6** [15-0478](#)

Joint resolution establishing the State's Attorney's Automation Fund, transferring collected revenues of \$145,417.76 since June 2012 from General Fund reserves to this Fund, and transferring fiscal year (FY) 2015 budget authority from the State's Attorney's General Fund budget to the new State's Attorney Records Automation Fund.

- In accordance with Public Act 097-0673 regarding 55 ILCS 5/4-2002(c), the State's Attorney's Office began to charge a \$2 fee paid by the defendant on a judgment of guilty or a grant of supervision for a violation of any provision of the Illinois Vehicle Code or any felony, misdemeanor, or petty offense to discharge the expenses of the State's Attorney's office.
- Per State statute, these funds must be deposited into a special fund designated as the State's Attorney Records Automation Fund for the specified purposes of hardware, software, research, and development costs and personnel related to establishing and maintaining automated record keeping systems.
- Unfortunately, a segregated Special Revenue Fund was not established at the time the fee was enacted. Therefore, the funds that have been collected, totaling \$145,417.76 since June 2012, have fallen into General Fund fund balance.
- This resolution establishes the State's Attorney's Automation Fund, transfers collected funds from the General Fund to this new fund, and transfers the FY2015 budget from the State's Attorney's General Fund budget to the new fund.

7.7 [15-0466](#)

Joint resolution authorizing the execution of a Title IV-D intergovernmental agreement between the Illinois Department of Healthcare and Family Services (IDHFS) and the Lake County State's Attorney for the continuation of the State's Attorney's Child Support Enforcement Program for maximum reimbursement amount of \$700,000, reflecting a \$25,000 reduction in the grant revenue for staff wages and benefits.

- Since 1985, the State's Attorney has entered into an annual intergovernmental agreement with the IDHFS to provide child support enforcement services.

- Pursuant to these annual agreements, the State's Attorney's reasonable costs for providing these services (as determined by IDHFS) are to be reimbursed.
- Since 1999, the State's Attorney's Child Support Enforcement staff has included three assistant State's Attorneys, four secretaries, three paralegals and one investigator.
- The Child Support Enforcement Division handles approximately 17,000 active cases, including those to establish paternity and sets support upon voluntary acknowledgement, establishes medical support orders, and enforces orders for payment of support.
- IDHFS has tendered a proposed State fiscal year (FY) 2016 contract to reimburse personnel costs not to exceed \$700,000 (66 percent of which is federal funds).
- Sources of program funding include \$700,000 from the IDHFS for salary/fringe, and the remainder from the State's Attorney's Office FY2015 budget.
