Ann B. Maine
District 21 Commissioner- Lake County Board
amaine@lakecountyil.gov

Dear Ms. Maine:

As I mentioned to you at the South Lake Mosquito Abatement District dinner the District is in need of a new trustee to replace the retiring Dick Faro.

Trustee Barbara Struthers has recommended Ms. Cosette Winter as a very able replacement. Ms. Winter lives at 1670 Meadow Lane, Bannockburn. Her phone number is 847-948-7043. Ms. Winter has informed us that she has served on several public boards and commissions, most recently on the Bannockburn Planning and Zoning Board. She was an educator for many years and also served on the Illinois Extension Service Master Recycles Program. During her years at the University of Iowa she took courses in both horticulture and entomology. Her degrees are in Education and Psychology.

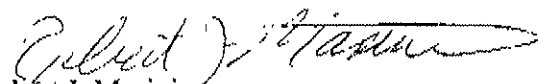

Also, the current terms of Trustees Larry Feder and Roger Simonson expire this month. They would both like to be reappointed to new four year terms.

The SLMAB board meets on the second Monday of each month. If you are able to secure the appointment of Ms. Winter, or another candidate of your choosing, and the reappointment of Trustees Feder and Simonson, by the County Board's February meeting, it would be much appreciated by the SLMAD Trustees. If you have any questions about the matter, please feel free to give me a call.

I wish you and your family a happy holiday season.

Very truly yours,

DIVER, GRACH, QUADE & MASINI, LLP
